

INDIANS TIE UP TITLE MATCH BY WINNING, 5 TO 1

COVELESKIE WINS HIS SECOND GAME OF SERIES

Speaker's Ace Pitches Wonderful Game, Allowing Only Five Safe Blows.

ROBINS USE 4 PITCHERS

Indians Go On Batting Spree and Hit Ball to All Corners of Lot

League Park, Cleveland, Ohio.—The Cleveland Indians put joy and new hope into the hearts of 27,000 raving Ohio fans here this afternoon by defeating the Brooklyn Nationals, 5 to 1 in the fourth game of the world series and evening up the count for the world's title. Stan Coveleskie's spittball registered a well earned win over the Robins, holding them to five hits. Coveleskie has won both of Cleveland's victories in the big series, and his work today was every bit as effective as on his first appearance in the opening game.

The batting of the Indians returned to them when they cut loose on their home field today. Going after a quartet of Brooklyn pitchers, they massed a total of 12 safe drives. The Indians were a fighting band from start to finish. The attack on Leon Cadore began in the opening round and before the impetus of their initial drive had been spent, two runs were across the rubber. With Coveleskie pitching unobtainable ball, the two failures were sufficient and the game was virtually over.

The wonderful fielding that marked the series from the start was maintained today. My Myers, the Robins' center fielder, undoubtedly carried away the highest fielding honors by virtue of two wonderful catches, running at top speed in the third round caught a drive off his shoe tops and rolled over and over coming up with the ball. He pulled a catch off Evans in the fourth round that was classy.

Following is the game by innings:

First Inning
Brooklyn.—Olson up. Strike 1, called. It was a curve that cut the plate. Foul strike 2. Olson out. Gardner to W. Johnston on an easy roller down third base line. J. Johnston up. Ball 1. W. Johnston on a close play. Griffith up. Foul strike 1. Ball 1. Ball 2. Strike 2. Foul strike 3. Foul. Foul. Ball 3. Griffith popped to Gardner. No runs, no hits, no errors.

Coveleskie unworked his spittball right at the start and worked a beautiful inning. A bedlam of voices, horns and bells burst from the stands when he set down the first three Brooklyn batters.

Cleveland—Jamieson up. Ball 1. Ball 2. Strike 1, called. Jamieson lined to Cadore. It was a terrific smash. Wamby up. Ball 1. Strike 1, called. Ball 2. Ball 3. Strike 2, called. Ball 4. Wamby walked and the crowd came up with a roar. Speaker up. Ball 1. Ball 2. Foul strike 1. Foul strike 2. Speaker singled to center, sending Wamby to second. It was a hard drive across the second bag. E. Smith up. Ball 1. Strike 1, called. E. Smith singled to center scoring Wamby and sending Speaker to third. Smith went to second when Myers' throw to third in an effort to catch Speaker went wild. Gardner up. Gardner flied to Myers and Speaker scored after the catch. W. Johnston up. Strike 1, called. Strike 2, swung. W. Johnston fanned. Two runs, two hits, no errors.

The Indians had the big first inning and hit the ball viciously. Cadore had lots of smoke but his curves did not seem to be breaking.

Second Inning
Brooklyn.—Wheat up. Strike 1, called. Wheat flied to Jamieson. It was an easy chance. Myers up. Strike 1, called. Foul strike 2. Myers flied to E. Smith close to the stand in right center. Konetchy up. Konetchy out. Wamby to W. Johnston. No runs, no hits, no errors.

Coveleskie worked like a machine. His spittball was breaking wickedly and his control was good.

Cleveland—Sewell up. Ball 1. Ball 2. Strike 1, called. Sewell singled to right off the right field wall. Griffith played the ball beautifully and cut off an apparent double. O'Neill up. O'Neill hit through Johnston sending Sewell to second. O'Neill was credited with a single. Mamau now pitching for Brooklyn. The stands were in an uproar of place.

Coveleskie up. Strike one, called. Foul strike 2. He attempted to hunt. Coveleskie fanned. The last one was called. Jamieson up. Ball 1. Foul strike 1. Jamieson lined to Myers who doubled Sewell off second. Myers to Olson to Kidluff. Myers' catch was beautiful and he made a spectacular throw while running at full speed. No runs, two hits, no errors.

Brooklyn—Kidluff up. Foul strike 1. Foul strike 2. Kidluff fanned. Miller up. Foul strike 1. Strike 2, swung. Miller out. Coveleskie to W. Johnston on a pretty fielding play by the pitcher. Mamau up. Strike one, called.

Fourth Inning
Brooklyn.—Burns playing first and Wood right for Cleveland. Olson up. Foul strike 1. Olson flied to Speaker. J. Johnston up. Foul strike 1. Johnston singled to left for the first hit off Coveleskie. It was a solid drive. Griffith up. Foul strike 1. Griffith doubled to right center, scoring J. Johnston. It was a tremendous crack and only the short fence prevented it from going for a triple. Wheat up. Wheat lined to Speaker and Griffith took third after the catch. This went far back to take another terrific out. Myers up. Strike 1, called. Myers out. Sewell to Burns. One run, two hits, no errors.

The Robins broke out with a real offensive in the fourth and were able to find Coveleskie for the first time. Johnston, Griffith and Wheat hit him for tremendous drives but Speaker's fine catch prevented further scoring.

Cleveland—Evans batted for Jamieson. Evans up. Ball 1. Strike 1, called. Ball 2. Ball 3. Strike 2, called. Evans lined to Myers who made a miraculous catch at his shoe top. Wamby up. Wamby out. Marquard to Konetchy. It was Konetchy's first putout though three innings had been played. Speaker up. Ball 1. Strike 1, swung. Ball 2. Speaker out. Kidluff to Konetchy. No runs, no hits, no errors.

Marquard was pitching nicely and the Cleveland fans gave him a hand as he went to the dugout. Myers received a real ovation when he trotted in.

Fifth Inning
Brooklyn.—Evans playing left for Cleveland. Konetchy up. Strike 1, called. Strike 2, swung. Ball 1. Ball 2. Ball 3. Konetchy walked. Kidluff up. Strike 1, swung. Ball 1. Foul strike 1. Mamau up. Strike one, called.

LAWRENCE MAN BADLY HURT IN AUTO ACCIDENT

C. Leonard Vincent of DePere Is in Critical Condition at Hospital.

HEAVY CAR TURNS TURTLE

Seven Other Members of Picnic Bound Auto Party Escape Serious Injury.

G. Leonard Vincent, DePere, Lawrence college student, is in a critical condition at St. Elizabeth hospital as the result of injuries suffered shortly after ten o'clock this morning when a Packard automobile which he was driving turned turtle on the road to High Cliff where he was taking a party to a fraternity picnic. Seven other members of the party all bound for a Phi Delta Kappa picnic at High Cliff, escaped serious injury.

Vincent had not recovered consciousness late this afternoon and there is a probability that he will not recover. His attending physician said there is a probability of pressure on the brain. Other members of the party have returned to Appleton but did not require much medical attention.

Vincent, with Garfield Day, Lake Geneva; Lester Abbey, Appleton; Christopher Pugh, Racine; Paul Carr, Janesville; Dorothy Briggs, Candor; Gwendolyn Jacobs, Janesville; and Agnes Churchill, Milwaukee, were driving about 25 miles an hour in the Packard owned by G. W. Jones, for whom Vincent was chauffeur, when they encountered a sharp turn in the road, about 1 1/2 miles beyond Lake Park. Mr. Vincent did not see the turn promptly and started for the ditch but wheeled his car sharply back on the road. The turn was so abrupt that the car turned over in the middle of the road, resting on its top. Vincent was caught under the cushions while all the others fell clear the wreckage. All crowded out except Vincent who was held fast. Men in the party tried to raise the car but it was too heavy for them. They tried to pry it up with fence posts but they broke off and Vincent was held until other motorists came along and assisted in the rescue. He was rushed to St. Elizabeth hospital.

MAC SWINEY REGARDED AS MAN OF "MYSTERY"

By United Press Leased Wire
London.—Terence MacSwiney, hunger striking lord mayor of Cork, was being hailed throughout Britain today as a "mystery man."

This was the fifth day of his fast. Physicians and scientists were speculating on how he managed to live so long without food.

The MacSwiney bulletin issued today said the lord mayor had a "good night" but was weaker this morning.

The condition of the hunger strikers at Cork, who have been without sustenance several days longer than MacSwiney, was said actually to be improved today.

ORDER ARREST OF REDS TO BREAK UP NEW PLOT

Chicago.—Nation-wide arrests of known radicals were ordered early today by the department of justice to thwart a plot of anarchists to foment immediate armed revolution, it became known today when agents were rushed to a score of places in Illinois and Indiana to conduct raids.

Similar activity of special agents in St. Paul, Detroit, Milwaukee, New York, Pittsburgh, Philadelphia, Denver, Los Angeles and Kansas City were expected.

Names and addresses of alleged radicals implicated in the plot have been furnished agents in those cities by the Chicago bureau following a raid here Thursday night on anarchists headquarters. Two men were arrested in the raid and valuable information obtained.

Convention Program

Mayor J. A. Hawes received a copy Saturday of the program of the annual convention of the League of Wisconsin Municipalities which opens at La Crosse next Tuesday and which he and City Attorney Theodore Berg, City Clerk E. J. Williams and City Engineer O. P. Weisgerber will attend. It contains many features which will be of general interest to city officials.

A. J. Brody of Chicago, was here on business Friday.

Misses Mary and Magdalene Bestler are visiting with their mother, Mrs. J. Bestler of Shiocton.

E. S. Torrey went to Milwaukee Saturday on a business trip.

The condition of John Stich of Medina, who submitted to an operation at St. Elizabeth hospital several weeks ago is very critical.

World Series Party Sunday

Appleton fans will not be obliged to go without their baseball Sunday, despite the fact there will be no paper. The Post-Crescent has made arrangements for a "world series" party which will be staged in the lot between the Post-Crescent office and Elk club. The party is to begin at one o'clock and continues until the last man is out.

Every play of the big series between Cleveland and Brooklyn will be megaphoned to the crowd the instant it is off the wire. Every ball will be called and Appleton fans will know how the game is going just as well as if they sat in the park in Cleveland.

Every Appleton baseball fan is invited to attend. Be on hand promptly at one o'clock and get the report by ball as it is played in Cleveland.

COX SAYS WILSON ACCEPTED CHANGES

Democrat Denies Charge That President Refused All Reservations.

(By Herbert W. Walker)
By United Press Leased Wire
Bloomington, Ind.—Invading "doubtful Indiana," for the third time during his stump campaign, Governor James M. Cox opened a day of old-fashioned barnstorming through the southern half of the state here today by denying Senator Harding's statement at Des Moines that President Wilson insisted on the treaty being ratified "without dotting an i or crossing a t."

The president accepted the five reservations of Senator Hitchcock as written, Governor Cox declared. "But they were voted down by the senatorial oligarchy despite the fact they met every objection raised against the league."

"I affirm without fear of contradiction that anyone who says the president never sought nor heeded the advice of the senate is either grossly ignorant of contemporary history or grossly irresponsible."

"I suppose it is too much to ask that mediocrity pay to greatness the grateful tributes of truth, but concluding with plain facts, it ought not to be too much to ask that the senator apologize for misleading the American public," Cox declared.

Since Harding announced he favors rejection, not interpretation of the league, Cox has been directing a sharp fire at former President Taft in an apparent effort to force republicans and progressives to break with their candidate. Cox will speak at Terre Haute tonight following a dozen rear platform speeches.

DOLLAR ON ROAD TO 100 CENTS VALUE

Government Report Indicates That American Dollar Is Now Worth 55 Cents.

(By Ralph P. Couch.)

Washington.—The new American dollar is staging a comeback. It has jumped 15 cents in value since May. It's still going on the path toward the old-fashioned 100 cents of the 1914 period, according to estimates based on government statistics. Bradstreet's monthly report supports these figures.

Five months ago, the dollar was worth just 37 cents in purchasing power compared with the pre-war variety, according to official figures. Now it is worth approximately 55 cents.

The soaring dollar means cheaper foods, cheaper clothes, cheaper shelter, cheaper necessities of all kinds. It goes along with falling prices of necessities now sweeping the entire country.

If prices keep falling the dollar will continue to soar. Conditions of manufacturing, transportation, credit and employment now are such that most officials here believe prices are on the toboggan permanently.

Weekly Weather Forecast
Washington.—Forecast for period October 11 to 16, inclusive:
Region of Great Lakes: Generally fair and normal temperature but becoming unsettled and cooler Thursday and Friday.

HOOVER SEES MUCH GOOD IN WORLD LEAGUE

Former Food Administrator Says G. O. P. Will Not Scrap the Treaty.

SHARP ATTACK ON WILSON

Democratic Administration Is Called Biggest Failure Since Civil War.

By United Press Leased Wire
Indianapolis, Ind.—"My personal view is that some of the articles in the present treaty must be abandoned and some modified; but a great many parts of the present treaty are good and are intertwined with the stability of the world," said Herbert Hoover in an address here today.

There has been much speculation as to Hoover's position as a friend of the league of nations and a supporter of Senator Harding in view of the latter's recent speeches on the subject.

Hoover made it clear he would hold the republican party and its candidates to their promises to "undertake the fundamental mission to put into living the principle of an organized association of nations for the preservation of peace."

Declaring that the position of the party is as far as daylight from dark from the attitude of those who wish to leave of nations or no association for these purposes, Hoover said:

"If there be persons supporting the republican party today on the belief or hope that this party is the avenue to destruction of this great principle, that the party will not with sincerity and statesmanship carry out their pledge to bring it into effect, they are counting on the insincerity of the republican party and its nominee for the presidency."

"I believe that in keeping faith with the promise to use all that is good in the covenant, practical republican statesmanship must build on the foundations of the existing treaty and include in it the great step forward in international justice now settled by Elhiu Itoot."

Hoover declared that the major issue of the day was party responsibility, of which the question of "a league" or "the league" was but a part. He pronounced the present administration "the greatest failure in American statesmanship since the civil war" and severely condemned the president for his decision to "ignore half the people of the United States and make peace alone."

Declaring the problems confronting the republican party were predominantly of an economic character, Hoover mentioned among desired reforms, the establishment of a department of public works wherein the scattered and overlapping activities of various bureaus and departments could be coordinated.

PEACE, NOT LEAGUE, IS ESSENTIAL—MARSHALL

Duluth, Minn.—Peace is the important thing—the terms of the covenant of the league of nations are secondary—Vice-President Thomas R. Marshall said here today.

He said he was speaking for "American" support, irrespective of party.

THE POST-CRESCENT OFFERS A FREE BOOKLET FOR MOTHERS

It tells all about how to keep the children healthy while they are in school.

It tells what to do when they are too thin, when they are nervous, dull; if they have bad eyes, bad teeth, flat feet; how to detect measles, whooping cough, diphtheria; what to do if sanitary conditions are not right at school.

The American School Hygiene Association wrote the booklet. The American Red Cross published it. It is practical and authoritative. In the interest of the well-being of the children we offer it free to any parent.

(In filling out the coupon print name and address or be sure to write plainly.)

Frederic J. Haglin, Director, The Appleton Post-Crescent, Information Bureau, Washington, D. C.

I enclose herewith two cents in stamps for return postage on a free copy of the booklet "The School Child's Health."

Steal \$200,000 Worth of Gems

Daylight Robbers Attack Diamond Agent and Escape With Suitcases Filled With Diamonds—Followed Agent From Chicago to New York.

By United Press Leased Wire
Buffalo, N. Y.—Two hundred thousand dollars worth of set diamonds were stolen from Max Lowenthal, 35, of Buffalo, agent for the Philip Prescott and company wholesale jewelers of Rochester, New York, by two men early today.

Lowenthal had just alighted from a street car on his way home with the diamonds in two suitcases when he was attacked.

After knocking Lowenthal down with their revolvers, the robbers jumped into a taxicab and drove away.

Clarence Miller, driver, stopped the taxicab in front of a police station. He jumped out and ran to notify the police, but the robbers escaped.

Shortly afterward, it was reported to police two men were said to have thrown a suitcase into a vacant lot. Police went to the lot and found the suitcase which bore Lowenthal's initials. It contained two or three diamond rings which had been overlooked. After Lowenthal's injuries had been dressed, he told police he believed the robbers had followed him from Chicago where he obtained the diamonds. He said most of the diamonds were set in platinum.

Neither Lowenthal nor Miller could give a good description of the bandits.

U. S. MUST ABIDE BY ITS PROMISES

Harding Warns That America Cannot Go Into League and Escape Duties.

By United Press Leased Wire
Wichita, Kan.—America must not go into the league of nations on the theory that it can sneak out of its obligations, Senator W. G. Harding declared in a speech at the Wheat Show at the Forum here today.

"What do you think of honest America going into a compact on the theory that we can sneak out of our promises?" he asked.

"I want an honorable America that keeps its pledges at home and to people across the sea as well."

His sallies at the league covenant brought the same cheering responses in this heart of the wheat belt that he has met all through his campaign trips.

It was here that President Wilson collapsed on his league tour a year ago.

Harding said his idea of an association of nations includes an international court to decide justiciable questions, codify international law and do all the practical things possible without surrender of American sovereignty.

"I haven't very much patience with any citizen who is more concerned about the people across the sea than he is about our own," Harding said.

"I don't want a mortgaged republic. I don't want a mortgaged manhood and womanhood in America, much less a mortgaged youth."

"No," came a chorus from the crowd.

"I'm sorry the president didn't stop to think of America when he was framing this covenant for a super-government of the world," he continued.

Harding spoke in the festooned pavilion of the Wichita Wheat Show, led by Governor Allen, Senator and Mrs. Harding spent 15 minutes wandering through the Wichita wheat show, walking through long aisles banked on either side with prize apples, pumpkins, corn and wheat.

Senator Capper, of Kansas, met the party here.

RUBE MARQUARD HELD FOR TICKET SCALPING

By United Press Leased Wire
League Park, Cleveland.—Rube Marquard and Manager Robinson, of the Brooklyn club, laughed this afternoon at the ticket scalping affair which resulted in a warrant for the ticket scalper had given Marquard's name to a prospective purchaser and the case was one of mistaken identity. Not men used vivid adjectives in discussing the man who said he purchased tickets from Marquard.

Cleveland, Ohio.—Police Chief Smith announced today that a warrant charging "Rube" Marquard, star pitcher for the Brooklyn team, with ticket scalping had been issued at noon today.

Smith said one of his officers took "Rube" from the Winton hotel, where the Dots have their headquarters, on the charge that he was trying to sell a set of tickets to the four games here for \$350.

When Marquard arrived at police headquarters, Smith said he pleaded to be released so that he would be available for the game this afternoon. If Manager Robinson wanted to use him, Smith released him, but said he ordered the warrant issued and Rube is to be arraigned Monday morning.

FREEDOM FOR IRELAND OUT OF QUESTION

Lloyd George Declares Independence Would Be Menace to Britain.

MUST STOP LAWLESSNESS

No Home Rule Can Be Worked Out Until Peace Is Restored in Erin.

London.—The condition of Lord Mayor MacSwiney, of Cork, hunger striking in Brixton prison, is worse, according to a bulletin issued at 3 p. m. today. He was said to be extremely exhausted.

By United Press Leased Wire
Cardiff, Wales.—Lawlessness in Ireland must be put down before Britain can proceed with a measure of complete self-determination for that country, Premier Lloyd George declared in a speech here today.

Lloyd George indicated the government would refuse dominion home rule for Ireland. If it were given, he said, Ireland could then enforce conscription and Britain, with an army of 100,000, would be confronted by an Irish army of 500,000. Dominion home rule in Ireland therefore would force conscription in Britain, the premier declared.

He denounced as "lunacy" any proposal under which Ireland would have its own army and navy.

He declared that 100 police had been shot dead and patience of the police was exhausted so they hit back. They did not blow up houses or shoot up towns without provocation, the premier stated.

NOTED GREEN BAY MERCHANT DEAD

John L. Jorgenson Died After Notable Career in Dry Goods Business.

(Special to Post-Crescent)
Green Bay.—John L. Jorgenson, pioneer dry goods merchant of Wisconsin, died at his home here Friday night at the age of 70 years. The funeral will be held Tuesday afternoon with burial at Woodlawn cemetery.

Mr. Jorgenson has had a notable career for the past 50 years. He has built up one of the largest department stores in this part of the state and was a director of the Kellogg National Bank for many years. He was also a prominent leader in the Odd Fellows lodge and a life-long member of the Elks.

Decedent immigrated to America in 1865 from Denmark at the age of 15 years and settled at Neenah. Four years later he came to Green Bay, where he has been in the dry goods business for 44 years.

He leaves his widow, Mrs. Agnes Sager Jorgenson. Six veteran employees will act as pallbearers at the funeral.

MILAN WORKERS SEIZE POWER PLANT AND MILLS

By United Press Leased Wire
Milan.—The power houses and several factories here were in the hands of the workers today, following failure of employers and employees to reach an agreement on wages and working conditions.

Sixteen flour mills and sixty macaroni factories were occupied by workers at Torreannunziata and neighboring towns, according to advices from Naples.

Strikers attempted to seize cotton mills at Luserna. One man was killed and several wounded in fighting with troops.

A platoon of royal guards discovered 300 rifles in a plant near Turin.

GOVERNMENT ACTS TO KEEP DOWN COAL PRICE

Washington.—Two divisions of the government were in action today to insure a supply of coal for domestic consumers throughout the country and keep down prices.

Under special new orders of the interstate commerce commission all railroads east of Montana and Wyoming were rushing every available coal car to the mines to increase production.

Acting on orders from Attorney General Palmer, district attorneys and special agents in all big cities were collecting evidence of alleged profiteering.

The evidence will be presented to grand juries under the Lever act before Oct. 18, Palmer announced.

One of the country's old landmarks will disappear when a W. R. R. town of Grand Chute razes his log barn. Mr. Ritz is making preparations to build a modern farm barn this fall.

OSHKOSH PARKS MAKE IMPRESSION

Appleton Chamber of Commerce
Men Pleased With Visit to
Sawdust City.

Oshkosh has some splendid parks, in the opinion of members of the community welfare committee of the chamber of commerce, who visited there Friday. They were escorted to the city's three large parks by members of the park commission, and were greatly enthused over the extensiveness of its public recreation centers.

Winnipeg park, located on Lake Winnipeg, impressed the visitors most favorably. With recent additions, it covers a total area of 80 acres, extending along the lake front for a considerable distance. It is equipped with municipal boat and bath houses, hand stand and picnic facilities. The municipal club, formerly the club house of the Oshkosh Yacht club, is one of its valuable features. The building is used for public events, and is ideal for conventions. Automobile tourists also have the use of it as a camping site. The committee also visited South

Annual Chicken Bouillion at Stroebe's Island Sunday, Oct. 10

Park, located at the southwest end of the city. There is no natural body of water there, but the grounds are beautified by artificial lagoons and concrete bridges. Its trees and gardens are beautifully kept.

The city of Oshkosh has recently purchased a 70 acre tract in West Algoma formerly used as the golf grounds of the Algoma Country club. It is at the inlet of the Fox River on Lake Butte des Morts, and will be a beautiful outing center as soon as it is equipped. The golf grounds will be open to the public. The city plans to place several lagoons within the grounds and may possibly plant it throughout with evergreen trees.

The members of the park commission who escorted the Appleton men about the city take considerable pride in the parks they are responsible for maintaining. Some of the men have been on the board for over 20 years.

DIARY KEEPING IS GOING OUT OF STYLE

The daily records or full page diaries so much in vogue a few years ago seem to have given place to the "line a day" diary and the memory book, Lawrence College girls say. The modern woman is too rushed with the actual happenings to have time to write them down, so she saves up her place cards, dance programs and invitations to be pasted in a memory book, or compromises by a "line."

Many are the girls who have attempted to keep a diary, but few are they who hold to the resolution. Some think it would be too dangerous unless the book could be locked securely. There are a few who are able to keep themselves into believing their secrets are buried, because they write certain portions in foreign script or code.

and devote their public service almost entirely to improving and enlarging the parks. They promised the visitors to come to Appleton in the near future to look over the parks and offer any suggestions they feel might be helpful.

The committee which met James Binning, highway commissioner, and the members of the Winnipeg county road and bridge committee, was cordially received and had a pleasant conference about making the Lake road a part of the country trunk highway system. Their decision is to be announced later.

Members of the road committee were Joseph Plank, chairman, John R. Diderich, and T. W. Orbinson. The community welfare committee members were John Hettlinger, chairman, P. H. Ryan, Dr. A. E. Recrot and A. H. Krugmeier. Mayor J. A. Hawes, O. F. Weisgerber, city engineer and Hugh G. Corbett, managing secretary of the chamber of commerce, served on both committees.

DEATHS

ELMER C. POPP
Elmer Charles Popp died at Outagamie county sanitarium Friday at the age of 24 years. He was discharged from the army about a year ago and while in the service was stricken with influenza from the effects of which he never recovered. His rank was that of a sergeant. He is survived by his parents, Mr. and Mrs. George Popp of Clintonville; three brothers and three sisters. The funeral will be held from Riverdale chapel at 1:30 o'clock Monday afternoon.

May Robson in "Nobody's Fool" at Appleton Theatre Monday evening, Oct. 11.

FORD WILL SPEAK AT SUNDAY SCHOOL RALLY

W. S. Ford, director of Appleton Vocational school, will deliver the principal address at the Sunday school rally day program in Memorial Presbyterian church at 9:45 o'clock Sunday morning. An elaborate program has been prepared for the event.

The rally will open with an orchestra selection which will be followed by singing by the school. Responsive exercises will be followed by a solo by Miss Lillian Vaughn. Primary exercises and a song by a quartette will precede presentation of promotion certificates.

The program will close with benediction by the pastor.

Soccer Football Games
The grade school soccer football games are scheduled to begin at 4:30 o'clock Tuesday, under the direction of Paul H. Wright, boys' secretary of the Y. M. C. A. Each school has contributed toward a banner, which will be presented to the winning school at the end of the series.

LEAGUE WINNERS AWARDED TROPHIES

Permanent Athletic Association
Is Formed at Y. M. C. A.
Meeting.

The first annual banquet of the industrial athletic association was held Friday evening at the Y. M. C. A. Seventy men represented the Appleton Woolen Mills, Appleton Wire Works, Appleton Machine Works, Fox River Paper Co., Valley Iron Works, Appleton Coated Paper Co., Kimberly Clark and the Interlake. There were 70 men present.

George F. Werner, general secretary of the Y. M. C. A. gave a talk in which he welcomed the men to the "Y," assuming them that at all times the organization would do its best to serve them.

Presentation of trophies followed. Frank Youngman received first trophy for the Interlake club, while members of the team received medals. Kimberly Clark received third trophy. The Union Bag & Cartage was not represented, and as a result second trophy was not awarded.

There followed a discussion as to the advisability of forming a permanent athletic association. The men were unanimously in favor of such a formation. It was decided to put the league under control of an executive committee, consisting of president, vice president, secretary-treasurer and two other members.

George Packard of the Superior Knitting Works was elected president. Frank Youngman, vice-president, Clyde Smith secretary and treasurer. The two other members of the committee are A. R. Miller of the Machine Works and R. H. Starkey of the Y. M. C. A. Invitations will be sent to all commercial and industrial institutions in the city asking them to join the association.

Three musical selections were rendered by the Junior Trio, Burton Mansor, Joseph Waininger and La Vaughn Macosch.

SOCIAL WORK TO COMMENCE SOON

Red Cross Expects to Announce
Social Program Emanating
From Survey.

Recommendations submitted by the family welfare, recreation and health committees which recently conducted a social survey of Appleton were accepted by the general survey committee as part of its program of work at a meeting Friday afternoon. The committee in turn made its recommendations to the board of directors of the Outagamie Red Cross chapter.

Important changes will soon be made in the Red Cross program of Outagamie county as a result of the meetings, but public announcement of its plans will not be made until the details are worked out. It will involve a consideration of activities, the appointment of a council of social activities to cooperate with other organizations, and an entirely new plan of work for the Red Cross including a comprehensive peace time program.

The program of work will be based on the findings of the community survey. Three reports have already reached Appleton and the others are expected soon. Miss Verna Elmsinger, survey director of the central division of the Red Cross, Chicago, is assisting the local chapter to launch its new work.

HAS NARROW ESCAPE WHEN CAR OVERTURNS

David Reese narrowly escaped serious injury Saturday morning when his automobile overturned on the curve between Combined Locks and Little Chute. It is stated that a boy ran in front of the machine, and in attempting to avoid hitting him, Reese turned his machine too far to one side and it rolled over into a ditch. He was uninjured and was about his duties as usual in the afternoon.

Financial Canvass
The financial canvass of the First Methodist church will be made by 21 teams, composed of 45 men, who will go out Sunday afternoon and solicit the members of the congregation, according to plans formulated at a supper conference Friday evening.

Gets Higher Rating
Elmer N. Schmidt, son of Mrs. Nell Schmidt, 1103 Packard street, who has been in the navy about two years, is now rated as a coxswain, according to word received here.

Red Cross Expects to Announce Social Program Emanating From Survey.

Recommendations submitted by the family welfare, recreation and health committees which recently conducted a social survey of Appleton were accepted by the general survey committee as part of its program of work at a meeting Friday afternoon. The committee in turn made its recommendations to the board of directors of the Outagamie Red Cross chapter.

Important changes will soon be made in the Red Cross program of Outagamie county as a result of the meetings, but public announcement of its plans will not be made until the details are worked out. It will involve a consideration of activities, the appointment of a council of social activities to cooperate with other organizations, and an entirely new plan of work for the Red Cross including a comprehensive peace time program.

The program of work will be based on the findings of the community survey. Three reports have already reached Appleton and the others are expected soon. Miss Verna Elmsinger, survey director of the central division of the Red Cross, Chicago, is assisting the local chapter to launch its new work.

SEEK \$1,000,000 MONTHLY IN U. S.

Appleton Urged to Take Big Part in Jewish Relief Fund Drive.

Judge Harry Fisher, of the Chicago Municipal Court, who recently returned from the Ukraine, where he served as a Jewish Relief Commissioner, reports that at least \$1,000,000 a month will be necessary to keep the people of that country alive. He makes an urgent appeal for funds to the American Jewish Relief Committee, which has been carrying on an heroic work for war sufferers in eastern and central Europe. Appleton has heard the call and will conduct a campaign for funds here under the leadership of Joseph Ullman as treasurer.

Thirty million dollars has been distributed by the Jewish Relief Committee since 1915. This money was raised entirely in America. The distribution is under the guidance of scientific social workers and business men headed by Felix Warburg, of New York, an internationally known banker, who has given his services to the cause.

There have been many martyrs to the Jewish Relief cause. Prof. Israel Friedlander and Rabbi Bernard Cantor, American Jews, decided to carry relief into the Ukraine. They were admonished not to attempt it. The State department was unable to guarantee safe conduct. Undaunted, and with thoughts only for the starving and naked millions, they proceeded across the border by automobile. After journeying two hours, and despite the

EXPRESS RATES TO BE ADVANCED OCTOBER 13

An advance of 13 1/2 per cent in express rates is to take effect October 13, according to notice received by the local branch of the American Railway Express company. This will apply to interstate business and is done on authority of the interstate commerce commission.

Rates within the state of Wisconsin will remain the same until the Wisconsin railroad commission grants an increase. The matter is under consideration and the company expects that action will be taken to fix the state rates according to the interstate commerce commission's decision.

A raise of 12 1/2 per cent was granted several weeks ago, making a total of 26 per cent that has been added to the old schedules. The need of increased revenue is to meet wage increases recently granted by the railroad wage board.

fact that their car was marked by the American flag, they were set upon by bandits, murdered in cold blood and robbed of the money that was to go to the sorely distressed. Others quickly volunteered to carry on the work they had so nobly started.

There are millions of war sufferers in eastern and central Europe to whom the money will go for food, clothing, hospitals and orphanages. "It is true that this country has been driven by drives," said Mr. Ullman, "but our weariness is as nothing compared with the helpless starving and innocent victims of the war."

Subscriptions can be made at any Appleton bank.

APPLETON MEN START AUTO TRIP TO FLORIDA

A party consisting of Zwingli Smith, Otto Thiesenshusen, Carlton and Carl Stowe, left Saturday morning on an auto trip to Florida where they will spend the winter. Full camping equipment was carried and the men expect to pitch a tent and camp on the trail. The route to be followed will take the travelers through about seven states.

Mrs. D. G. Stowe, Mrs. Zwingli Smith, Mrs. Otto Thiesenshusen and Mrs. Leibel of Neenah will follow by rail in a few weeks and join the party.

Special Services
A series of special services extending over two weeks are being held in Emmanuel Evangelical church. The Rev. C. F. Rabehl, presiding elder for the Appleton district, will conduct a communion service beginning at 9:45 o'clock Sunday morning and he will also preach in the evening service and assist in the meetings during the week.

MEET TO DISCUSS MOVIE BUSINESS

Joseph D. Winninger Attends Important Gathering at Green Bay.

Joseph D. Winninger, manager of the Appleton theater, has returned from Green Bay, where he attended a meeting of exhibitors of north-eastern Wisconsin. The gathering was one of a series of sectional conferences conducted by the Wisconsin Exhibitors association.

Mr. Winninger states that the purpose of the meeting was to reach out and induce the owners of the smaller theaters of the state to join the state organization. Few of them have time to attend the state meeting, and the association has therefore arranged meetings in several parts of the state to which the exhibitors can go for a day or so. The association expects to gain enough members by this plan to make its influence felt in matters pertaining to the theater business.

Legislation subjecting the motion picture business to unfair censorship will be opposed by the association as soon as it becomes fully organized. It will also work for more equitable contracts with film companies, and prevent large operators from taking advantage of the small theaters. It will try to bring the showmen together on a common ground to thresh out their problems and remove the unfair competition that is found in many cities. It will follow the slogan, "An injury to one is the concern of all."

Appleton has a 100 per cent representation in the association. Mr. Winninger is its treasurer. The other officers are: President, Joseph G. Rhode, Kenosha; vice-president, A. P. Desormaux, Madison; recording secretary, Fred C. Segert, Milwaukee; executive secretary, Walter F. Baumann, Milwaukee.

ONLY TWO CASES OF CONTAGION HERE

Health Officer Urges Prompt Action in All Suspicious Cases.

"The city will be free from small-pox again in a few days," said Dr. H. E. Ellsworth, health officer, Friday. "The only case at present is a college student at Brookway hall, who will be given his freedom early next week. He has been occupying the infirmary and care has been taken to keep other students from being exposed. It was my intention to enforce the vaccination rule, but I found that practically all the students occupying the building had either been vaccinated shortly before coming to Appleton or within the last year or two."

"Just as I was about to lift the quarantine on the last case of scarlet fever Thursday another case was reported so it will be at least two weeks before all contagious diseases are wiped out provided no new cases are reported."

Dr. Ellsworth stated that in all probability cases where contagion is suspected will be quarantined in the future before the disease is definitely diagnosed. He intends to take the matter up with the board of local physicians and later call a meeting of local physicians who will be requested to make their reports promptly on all suspicious cases. This method will save the exposure of a large number of people and will cause very little inconvenience in the event there is no contagion.

WATER SITUATION IS GOOD IN VALLEY

Millmen Here Are Not Suffering Much Because of Low Water.

While the water power situation is becoming serious for the paper manufacturers of the Wisconsin river valley those of Fox river valley are apparently more fortunate for the water is no lower than it has been for several months.

The mills have been drawing only twenty-five per cent of the normal flow of water since the middle of summer which makes it necessary for them to use steam as an auxiliary power. None of them, however, has found it necessary to use steam exclusively.

The amount of water flowing into Lake Winnebago after the heavy rains a few weeks ago was greater than the amount drawn which kept up the water to its former level and made it unnecessary to make further cuts in the flow.

Had it not been for the reservation of the water in Lake Winnebago Fox river paper manufacturers would undoubtedly have been in the same predicament as Wisconsin river manufacturers.

STUDENTS WANT CARROLL GAME TO BE "HOMECOMING"

Lawrence may not have a home coming game this year, according to Chester H. Hartlett, because the Ripon game will be played at Ripon this season. It has been the custom to have the home coming game when the Riponites play Lawrence on the Lawrence gridiron, which comes only every other year.

Many students are anxious to have the Carroll game, which is played here, declared the home coming game, but as yet permission has not been granted.

Call for Mike Steinhauer transfer line for parcel and all kinds of delivery. Phone 147.

POMEROY OUT TO SUPPORT M'COY

Long a Republican, He Refuses to Support Candidacy of J. J. Blaine.

Hugh E. Pomeroy of this city is one of the republicans who will boost the candidacy of Col. Robert B. McCoy, Sparta, democratic candidate for governor. He has been made a member of the executive committee in charge of the McCoy campaign.

Mr. Pomeroy states that he is opposed to Blaine and has found no other republican who intends to vote for him.

"So far as I am concerned," he stated, "there is no republican candidate running in this election. I am going to vote for McCoy and work for his election. We will probably organize for a campaign in this county, but I know of nothing definite as yet. I have talked to many republicans, and not one will cast his vote for Blaine. They are all joining hands to elect Co. McCoy."

Headquarters for the personal campaign committee which is managing the McCoy campaign has been established in Sparta with a branch office in the Plankinton hotel, in charge of his son, Bruce McCoy.

The executive committee in charge

WATCHMAN WANTED Apply at the Appleton Woolen Mills

of the campaign consists of E. R. Bowler, Sheboygan, chairman; H. W. Jefferson, Sparta, secretary; L. A. Leadbetter, Rhinelander; Frank Schneller, Neenah; E. A. Firth, Chippewa Falls; John Hogan, Cumberland; Henry Moehlephah, Clinton; Edward Dayton, Kenosha; Frank Gottschalk, Wausau; Hugh E. Pomeroy, Appleton. Several other members of the committee are republicans.

Col. McCoy's speaking tour includes: October 8, Hudson; October 9, River Falls, Ellsworth; Oct. 10, Menomonie; Oct. 11, Chippewa Falls, Eau Claire; Oct. 12, La Crosse, noon address before the Kiwanis club and at night; Oct. 13, Virgona; Oct. 14, Richland Center; Oct. 15, Mineral Point; Oct. 16, Madison.

REVIEW RESULTS OF RECREATION SURVEY

The recreation committee of the community survey met Friday afternoon with Miss Verna Eisinger, Chicago, director of community studies, and heard the report on its work. The report is to be referred to the general survey committee, with suggestions for a program of work along recreational lines.

The members of the committee are: Dr. I. B. Wood, chairman; Fred P. Wettengel, Miss Leah Wihlhaben, Chris Mullen, Mrs. W. H. Ryan, Mrs. D. O. Kinsman, George H. Packard, Miss Irene Gurnee, George F. Werner, Mrs. H. H. Cole and A. R. Ends.

The family welfare and health committees have their meetings Tuesday and also presented recommendations to the general committee. Findings of the delinquency and educational committees have not been returned from the central division of the Red Cross, Chicago, but Miss Eisinger expects them in a few days.

APPLETON AUTOISTS LIKE MICHIGAN ROADS

Mr. and Mrs. D. H. Pierce have returned from Gogebic Lake, Mich., where they have been occupying their cottage since the middle of August, and where Mr. Pierce goes each fall to avoid a siege of hay fever. On their way home they covered over 500 miles, going by way of Iron River, Iron Mountain, Marquette, Munising, Escanaba, Marinette and Green Bay. Mr. Pierce said that the roads in Michigan were among the best in this part of the country and that the autumnal colors surpassed in brilliancy and variety those to be seen here. This was due to early frosts. The apple crop was a record breaker and the very best qualities were to be had at the orchards at a dollar per bushel. The yield of potatoes was above the average but they were selling at prices slightly in excess of those of Outagamie county.

CITY CHEMIST TESTS APPLETON MILK SUPPLY

All milk handled by local dealers and also that delivered by milkmen from the surrounding country is being tested by A. J. Hall, city chemist, at his office at the waterworks plant under the direction of Dr. H. E. Ellsworth, health officer. Mr. Hall is able to make four tests a day in connection with his other duties and has been engaged in the work for the greater part of a week. Whether the milk that is being used is up to the standard prescribed by the state law has not been announced. It has already been discovered that two of the milk dealers were operating without a license.

AMATEUR DUCK HUNTERS ARE SPOILING THE SPORT

Hunters claim that the few ducks that have been frequenting the lakes and marshes in this part of the state this fall are becoming so wild that a person cannot get within cannon range of them. This is due to amateur hunters continually firing upon them whether they are on the water or in the air. Every one on the water or in the air is experienced hunter who was on the shore of Little Lake Butte des Morts at an early hour Friday morning said that a flock of ducks flew over him at a great height and that no less than a dozen shots were fired at them from ambush even though they were well out of range.

Weds Clintonville Girl
At 2:30 o'clock Thursday afternoon at the Lutheran church in Clintonville occurred the marriage of Ernest Schumacher, son of Mrs. John Schumacher, 913 State street, and Miss Emily Kuschel, daughter of Mr. and Mrs. August Kuschel, Clintonville.

The ceremony was witnessed by about 75 guests. The bride wore a dress of white georgette trimmed with beads and a veil caught up with pearls, and carried a shower bouquet of yellow roses. She was attended by her sister, Miss Mina Kuschel, who wore a flesh colored crepe de chene dress and carried pink carnations, and Miss Mae Schumacher, sister of the groom, wearing a lavender and white crepe de chene dress and carrying white carnations.

Frank Kuschel, brother of the bride, and George Schumacher, brother of the groom, were the groomsmen. A reception was held at the home of the bride's parents to about one hundred guests after the ceremony. The young people will make their home in Appleton.

Olive Branch Society
The Olive Branch society of Mount Olive English Lutheran church held a business meeting and social Friday evening.

GEORGIA HALL-QUICK

evening at Rusher Business college. The society voted to buy one of the bonds of the new church building and also make a contribution to the mission festival Sunday. Miss Elsie Keinke and Orville Hegner were made members of a committee to handle the society's representation at an entertainment and bazaar to be held in Milwaukee in December.

A series of games was played following the business session and refreshments were served.

Tickets for Concert
The list of the Woman's Club members is being revised and arranged for the year. If in the process of properly grouping over 100 names, some who have paid their fees fail to reply membership cards, they may obtain them by notifying Mrs. A. H. Wickesberg, club treasurer. These cards will admit club members to the Georgia Hall Quick concert Tuesday evening. Mrs. Wickesberg will be near the chapel entrance the evening of the concert to issue cards to those

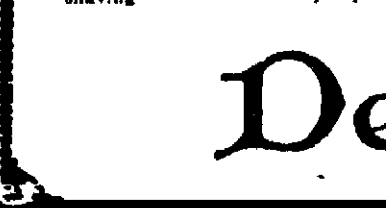

THE BEST ON EARTH

Says Mrs. Staples of Lydia E. Pinkham's Vegetable Compound.

Taunton, Mass.—"I could not eat or sleep for six months, had fainting spells and could not walk without help for three months, caused by female trouble. My cousin, who was a doctor, told me to take Lydia E. Pinkham's Vegetable Compound and it helped me greatly. Then during the Change of Life I used the same remedy. I am seventy years old now and am able to do my own housework and walk one mile to church every Sunday morning and evening. I am recommending the Vegetable Compound to my friends having the same troubles as I had. Your remedy is the best on earth. I cannot find words to express my gratitude to it.—Mrs. SUSAN C. STAPLES, 157 E. School St., Taunton, Mass.

The reason that thousands of women from all parts of the country write such grateful letters is that Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives, once burdened with pain and illness such as displacements, inflammation and ulceration. Why don't you try it?

Before powdering For chapped skin For men—A boon after shaving

who still lack them, upon showing membership receipts.

Will Hear Famous Artist
Green Bay club women and music lovers are planning to attend the Georgia Hall Quick Concert to be given here Tuesday evening at Lawrence Memorial Chapel under the auspices of the music department of the Woman's Club. Mrs. Quick is the chairman of the music department of the federated clubs. Green Bay is as proud of the famous pianist as Appleton and lays claim to a share in her greatness on the score that she lived there for a time.

Members of the girl's glee club will be the ushers at the concert.

150 Attend Mixer
About 150 young people attended the Epworth League "mixer" in the Methodist church parlors Friday evening. A clever melodrama was presented, and a number of get-acquainted stunts were held. A three piece orchestra furnished accompaniment for a "sing." A dainty luncheon was served.

School Society Meets
Wade Lette was elected president of the O. F. F. society of the Woodlawn school at a meeting Friday afternoon.

Confessions of a Bride

(Copyright 1920, by The Newspaper Enterprise Association)

THE BOOK OF DEBORAH

I Wonder Why Women Can't Love When They Choose.
Peace prevailed under our roof next day, according to Rob's wish. It was a truce, rather, without reconciliation. After breakfast, to take my mind from my own woes, I went to tell Deborah Burns. I didn't want to tell my sorrows to her, but I did want to get my mind onto a subject which was at least as interesting to myself—as myself!

My dear father, when he could take time from his duties as the president of a small country college town, had given me many wise and sage advices. He had recognized, perhaps, a certain taint of hysteria in me, inherited from my temperamental mother, or perhaps from all my female ancestors back to Eve. My father had insisted, when I was still a young child, that it is pure selfishness to brood over one's troubles. Whenever I felt sorry for myself, I was told to get busy at some thing useful, preferably in the company of another person.

To this day I find my father's theory workable. And so I went to see Deborah, knowing well that she had a few woes of her own which she might not care to share with me, but which she had some chance of forgetting in my company.

Deb already had excellent company, found. Teddy Moore was with her. They were coming from the links when I arrived at Deb's home. What any girl could want finer and nicer than Teddy, I couldn't imagine. He was surpassed only by Bob and Jim. Since Deb couldn't have Jim, why didn't she take Teddy. I wondered as I saw them coming crosslots from the country club.

Deborah's possible husbands had interested the mothers of eligible sons ever since the girl had come home from France. Deb was decidedly ungrateful to the mothers, but she had been properly polite to the sons, and nothing more. Some of the gossips

Lately I have been reading a lot of modern wisdom about love, developed by the wisest thinkers of the time. The theories are new to the world, some of them have been discussed scarcely a decade, and most of them are so un- welcome, in some ways, that it will be centuries, perhaps, before they benefit anybody.

According to one of the new philosophies, the more a girl like Deb corks up her emotions, the more wretched she is fated to be. I decided that I ought to look after Deb. She is almost too young to realize what a lifelong tragedy she is letting herself in for. (To Be Continued.)

Personal

Adolph Muttart, town of Grand Chute, is remodeling his house and barn and making extensive improvements on his farm.

Miss Beth Davis, who is teaching at New London will spend the weekend with her parents on Sampson street. Miss Davis will be accompanied by Miss Ruth Bruemman.

Herman Godbeck left Thursday evening for Croquet, Minn., where he will visit Mr. and Mrs. Frank Leimer.

A. W. Liese, local agent of the Chicago, Milwaukee & St. Paul Railway company, has removed from 1287 Lawrence street to the corner of Walnut and Fifth streets.

Mrs. Robert Hench, who has been visiting relatives at Byron, Ill., for the last week, is expected home Saturday evening.

The crew of workmen engaged in putting the wires of the Wisconsin from the corner of Appleton and Lawrence street to Lake street draw bridge reached the foot of Pearl street hill Saturday. The wires were laid close to the gutter down Appleton street hill and past the office of the Fox River Paper company.

A crew of painters of the Northwestern Railway company is engaged in painting the two iron spans of the bridge leading from the plant of the Fox River Paper company to that of the Patten Paper company.

So far there has been no falling off in the amount of freight that is being handled in Appleton. Railroad men have all the work they can do and at times have difficulty to keep it from piling up.

The jurors of the September term of circuit court have been ordered to report for duty at the courthouse next Monday, when the jury calendar will be taken up by Judge E. V. Werner.

The real estate market which has been comparatively quiet during the summer months is becoming active again and quite a number of transfers have been made since the first of the month, while a large number are pending.

Mr. and Mrs. W. H. Burns have returned from an extended vacation trip in the east, including Niagara Falls and Boston, Mass.

Ernest W. Smith of Berlin, was here on business Friday.

Mr. and Mrs. W. M. Pearson and Mr. and Mrs. J. R. Parnell of Fenimore, were Appleton visitors Friday.

Mr. and Mrs. J. W. Kennedy of Beaver Dam, visited friends here Friday.

Angeles, Calif., according to a letter which Willis Bartman has just received from the former. They expected to leave for San Diego and Mexico about the middle of the month and before their return will visit Hawaiian Islands. They made the trip to California by automobile and will be absent a year.

Walter Gorman of Wausau, was here on a business trip Friday.

Mr. and Mrs. William Baker of Brillon, were here Friday.

C. Roemer has gone to Three Lakes for a week's fishing trip.

Anton Koch of Sherwood, was an Appleton visitor Friday.

Miss Ella Denyas, who is teaching at Shawano, arrived here Friday evening to spend the week-end with her parents.

Gerrit T. Thorn and N. P. Christensen, Oshkosh attorneys, were here on business Saturday.

Miss Martha Leisinger is visiting friends at Watertown.

Mrs. A. R. Margraff of New London, visited relatives here Friday.

W. O. Thiede and George R. Wengel have returned from St. Paul, Minn., where they attended a meeting of 15th district Rotary representatives.

R. L. Spliering of Crookston, Minn., is spending the week-end with John P. Behnke and family. He is superintendent of the gas plant at Crookston, and is returning from conferences of public service men at Cleveland and Milwaukee.

HUSBAND GAVE HER ONLY \$15 MONTHLY

Oshkosh Woman Gets Divorce Because Husband Refuses to Support Her.

That he had bought neither her nor their three children any clothing during their entire married life was one of the charges that Ella Sadie Keene of Oshkosh brought against her husband, Louis Keene, in her divorce proceedings in municipal court Friday afternoon.

She also charged him with calling her vile names, with neglect, and with not properly providing for herself and the children.

The main charge was cruel and inhuman treatment. Although he earned from \$30 to \$45 per week all he allowed her for household expenses was \$15 per month.

The plaintiff was given an absolute divorce and the custody of the children. The defendant was required to pay the mother \$10 a week for the care of the children until each becomes 17 years of age, when the amount will be reduced.

Marriage Licenses
Applications for marriage licenses were made Saturday morning to Herman J. Kamps, county clerk, by William H. Pluger of Shiocton and Augusta Lubben of Appleton; William Revbrook and Mary Van Mun of Kimberly; John Oelrich and Anna Uttschig of Appleton; Cecil E. Hickox of Appleton and Angeline Hemma of Chicago.

Sister Marys Kitchen

Remember that fruit and vegetables put up in glass cans should always be protected from the light.

If your fruit closet is not dark, if the shelves are open, an old window shade hung over the cupboard makes an excellent protector.

The shade is easy to handle. One hand will raise or lower the shade leaving the other free for lamp or candle. A cloth curtain stretched across the shelves must be readjusted each time with much pulling requiring the use of both hands.

Menu for Tomorrow
BREAKFAST—Baked apples, soft boiled eggs, toast, coffee.
LUNCHEON—Cauliflower au gratin, brown bread and butter, pear and pineapple conserve, tea.

DINNER—Cream of corn soup, broiled ham, twice baked potatoes, endive salad, cantaloups filled with fruit, coffee.

My Own Recipes
When the dessert is of fresh fruit, it sometimes is advisable to serve macaroons or crisp cookies with the coffee. The sweet finishes the dinner and adds the sugar to the diet.

CAULIFLOWER AU GRATIN
1 head cauliflower
1 1/2 cups milk
1 tablespoon flour
1 1/2 tablespoons butter

MANY TEACHERS AT SYNOD CONFERENCE

Excellent Lectures Are Delivered at Two Day Meeting Here.

Delegates from Oshkosh, Loyal, Wausau, Watertown and Lebanon attended the Oshkosh Lutheran Teacher's Conference Thursday and Friday at Zion's school, Commercial street.

One of the principal lecturers was Prof. Lorenzen, who discussed "What Should Be Done With Parents Who Refuse Their Children Religious Instruction." The speaker showed that education as imparted in parochial schools is the only education, proving by scriptures and quotations from famous educators that "Education without instruction in God's word, can not be called education." This topic was discussed at length and it was decided to have Prof. Lorenzen's work published in the "Lutheran Standard" and "The Zeitung."

Prof. Barnum gave an excellent talk on "School Discipline." A round table talk led by Prof. Lorenzen followed. The morning sessions were devoted to practical works and the afternoon to criticism and presentation of theoretical works. The following catechization were given the children of Zion's school: "The Temptation of Jesus," a lesson in Biblical History with the third and fourth grade, by Miss Hennings; "Jesus as Prophet," a lesson in

catechism with the seventh and eighth grade by Prof. Henry E. Hoese; "A Model Lesson in Long Division," with fourth grade by Prof. Paul Springer; "Study of the poem, 'The Flag,'" sixth grade, by Prof. Paul Deppeling; "A Lesson in Phonetics," primary grades, Miss Hennings. The catechism was assigned to Miss Seelichson, who was unable to attend on account of illness. All of these works were ably presented and later thoroughly discussed and criticized.

FARMER OFFERS TO GIVE APPLES TO RIVERVIEW

One response has been received by the chamber of commerce to the appeal to the farmers to contribute part of their fruit supply to the patients at Riverview sanatorium. A farmer's wife living in Shiocton telephoned that she would be glad to contribute.

The movement was started by Mrs. J. Koffend and Mrs. P. H. Ryan, who felt that the windfall apples going to waste on the farms could be donated to the sanatorium patients, who are without a supply of fruit. The women they represent are willing to go anywhere in automobiles to get the apples or other fruit that is offered.

Farmers who are too far away to telephone are asked to address a postal card or letter to the chamber of commerce. The women feel that the abundance of apples this year might be put to this good use without depriving any farmer of all he needs for himself and for market. They are hoping for a better response. The chamber of commerce telephone number is 2701.

APPLETON WOMAN MADE SECRETARY

Mrs. Howard Reeve Honored at Meeting of Congregational Women.

Mrs. Howard Reeve was elected secretary at the meeting of the women of the Winnebago Association of Congregational churches at First Congregational church Friday. Other officers elected were Mrs. S. G. Ruess, Menasha, association president of the Interior; Mrs. Mabel Ripon, association president of the Woman's Home Missionary Union; Mrs. Carl Smith, Fond du Lac, treasurer; Mrs. T. A. Dungan, Oshkosh, secretary of the young people's work.

About one hundred women attended the sessions and answered to the roll call of the church missionary organizations by reporting the work of their groups. Mrs. John Farville, Lake Mills, addressed the ladies on the work of the Wisconsin board of home missions, and Mrs. George Penbody, spoke on the Wisconsin branch of the Woman's Board of Foreign Missions.

The forenoon session was devoted to organization work, followed by a basket lunch. The young people of the church repeated the dramatic impersonation, "To Whom Shall We Go," representing the church's need of leaders. Vocal solos were given by Mrs. W. H. Dean and Mrs. Charles Reineck.

Tea was served the women after the program in the parlors, beautifully decorated with autumn foliage.

BIG POTATO CROP IS REACHING THE MARKET

Many conflicting reports are in circulation concerning the potato crop in Outagamie county. Some are to the effect that farmers are storing their potatoes while others claim that shippers are buying all they can get hold of and that at least 25,000 bushels have been purchased in the village of Dale. Regardless of these reports farmers are daily bringing large quantities of potatoes to Appleton and are disposing of them at a dollar or more a bushel. Quite a number of people with motor trucks and automobiles have bought their year's supply direct from the fields where they were being dug and in this way got them for less than a dollar a bushel.

Miss Isabel Margraff of this city and Miss Martha Schultz of Kaukauna, left on Saturday for New London to spend the week-end.

NEWS OF INTEREST FROM COUNTY AND STATE

MONICO IS SWEEPED BY \$30,000 BLAZE

Business Section of Little Northern City Is Nearly Wiped Out.

Pelican Lake, Wis.—The business section of Monico, three miles north of here, was nearly swept out on Friday by a fire which swept the northern part of the village, causing a loss estimated at \$30,000.

Origin of the fire, which started in the Northern hotel, is a mystery. Fanned by a brisk south wind, the blaze was quickly beyond control, and fire fighters were summoned from Antigo, arriving on a special train.

Thirteen buildings leveled.

Efforts of the firemen were handicapped by the absence of water pressure, the only supply available being that brought from a nearby lake in wagons, and it proved wholly inadequate.

Thirteen buildings were leveled by the flames, and ten families were rendered homeless. Destruction of the telephone company's building early in the blaze, cut off the town from the outside world.

Among the buildings razed were the hotel, two stores, a restaurant, a

KAUKAUNA GIRL HEADS SCHOOL IN RIVER DALE

(Special to Post-Crescent)
River Dale—Miss Margaret Moriarty of New London, spent a few days of last week at the S. J. McCrone home.

School commenced Sept. 27 with Miss Frances Gehrend of Kaukauna as teacher.

Mrs. and Mrs. George Hoffman of Menasha were visitors in Helena and Riverdale Sunday.

Mr. and Mrs. Fernin Hultschuh of Sheboygan were over Sunday visitors at the Louis Lyons home.

Mr. and Mrs. Louis Wilhelm and family visited with relatives in Riverdale Sunday.

Marie Lyons left for Sheboygan Monday, where she will be employed. Miss Margaret Conlon of Helena visited with Mae and Elizabeth McCrone a few days this week.

Mr. and Mrs. S. J. McCrone and family visited with relatives in Helena Sunday.

BUSY PROGRAM PLANNED FOR MADISON WOMAN

(Special to Post-Crescent)

Madison—Mrs. H. H. Morgan, director of the state bureau of child welfare, will attend the annual meeting of the American Child Hygiene association at St. Louis, Mo., Oct. 11-13. She will participate in a special meeting of state directors of child hygiene arranged by Dr. Anna Rude, of the federal Children's bureau. At the state conference of social work at Oshkosh, Oct. 14-16, she will talk in connection with the film, "Our Children."

At this conference she will preside at a round table discussion on public health. On Thursday evening she will speak to the Parent-Teachers' association at Neenah.

FIRE CAUSES BIG LOSS TO ASKEATON FARMER

(Special to Post-Crescent)

Askeaton—Miss Rosella Tierney and John Byers were united in marriage in St. Patrick church here Wednesday by the Rev. O'Connell. They will reside in Chicago.

Val Gentering of East Wrights town lost all of his farm buildings with the exception of his residence by fire which started from a spark from an engine while hulling clover.

dance hall and half a dozen residences. Furnishings of the buildings were saved.

TEACHERS SHOULD TRAIN CITIZENS

Woman Republican Leader Tells Women to Get Interested in Public Affairs.

Superior.—Addressing the Lake Superior Teachers' association here Friday night, Mrs. Theodora M. Youmans, vice chairman of the republican state central committee, urged women teachers to interest themselves in public affairs and especially in things which concern their own profession of teaching.

"Whatever else they teach, the public schools should teach fundamentals, and citizenship is a fundamental," said Mrs. Youmans. "There was a time when general education was sufficient to make good citizens, but with the enormous changes which have come to this country, with the great problems facing us, with the people too deeply absorbed in making and spending money, with a definite effort being made to subvert this government, I find that something more than general education is necessary to make good citizens of our children."

"If we wish to make a good American out of the immigrant, we must give him a real chance to learn what Americanism means. It is not only the immigrant, but every person in the country who needs the inspiration of American ideals and every child should have the opportunity of a definite education in citizenship in the public schools."

POLICE SEEK AUTOIST WHO SLEW BOY AND FLED

Kenosha.—Police are continuing their search for the automobile driver whose car killed Harold Meyer, 15 years old, on a country road north of Kenosha on Wednesday evening.

Young Meyer was walking with his sister, Miss Lydia Meyer, along the right side of the lake shore road, near Central park, north of Kenosha, when the speeding car struck him from the rear and sent him hurtling into the middle of the road.

The sister ran to his assistance, but believes he was dead when she reached him. She declares that the driver of the death car stopped within 100 feet of the scene of the accident, climbed out of it and turned around to see his victim lying in the center of the road.

RUMMAGE SALE TO BE HELD AT METHODIST CHURCH BARN

MENT MONDAY, OCT. 11, AFTER-NOON, FROM 2:30 TO 4:30, UNDER THE AUSPICES OF EPSILON ALPHA PHI.

NEW LONDON GETS NEW PHONE PLANT

Work Is to Be Started Soon on New System—Enlarge Chautauqua Course.

New London.—A new Telephone plant modern and large enough to meet all demands for the next fifteen years is to be installed here. The work has been ordered but on account of survey work to be done, the plant will probably not be ready to operate until March 1922. An engineer is to visit this city and make a careful survey of the outlying territory and the probable growth of the phone service in and outside the city. A plant engineer will investi-

gate the number of cable lines necessary, the proper location of distributing boxes etc.

Prof. and Mrs. P. A. Maas of Milwaukee were week-end visitors in the Kobler home. Mr. Maas who is president of the Outagamie Limestone company recently organized, came to attend a directors' meeting at Black Creek.

Encouraged by the success of last season's Chautauqua Course, the Citizens Lecture Course Committee has added two additional numbers to the Redpath Lyceum Course for next season, making the course consist of seven numbers instead of five. The season begins October 15 with Kate a magician, as the first number. Ticket sale is now on with tickets selling at \$2 each. One of the other treats is the Chinese Orator, Ng Poon Chew, a second Mark Twain who comes here December 1. Other numbers are the Chicago Vocal company; the Freeman Hammond Trio; and Dixie Girls. The arrangement committee consists of the Rev. J. Koster, E. N. Cole, D. Newberry, E. C. Oestreich, F. A. Archibald, F. H. King, F. S. Loss, J. M. McLaughlin and the Rev. M. Ziegler.

The tract of land in the southern part of the city known as the King-

port property and located north of the Greenhouse was purchased by the Grand Rapids Real Estate and Development company. The tract will be divided into thirty residence lots.

Mr. and Mrs. Herbert Aepler returned to this city after a ten day wedding tour through the west. Mrs. William H. Thomas of Cornell, Wis., mother of Mrs. Aepler, accompanied them to Milwaukee, their new home this week to assist them in getting settled.

Mrs. Mary Dailey is enjoying a visit with her son Glen Dailey who spent five years in Honolulu and one year at Camp Lewis, Washington.

Mr. and Mrs. Robert Wilson whose marriage took place here recently returned from their wedding visit and have gone to their new home at Greentown, Pa. Mrs. Wilson was formerly Miss Myrtle Hahn of this city.

Miss Mabel Hoffman and Mr. Arthur Much were married at the bride's home at Birnamwood. A reception and dinner followed the ceremony. The bride was employed as saleslady in this city for several years. The groom is a son of Mr. and Mrs. F. Much of this city. The young people will make their home in this city.

Several New London couples were

entertained at a wedding breakfast one day this week which was given in honor of Mr. and Mrs. Lester Berg whose marriage took place in Chicago Saturday. The breakfast was served by Mr. and Mrs. J. Sengstock of Hortonville and the guests who auted there from here were Mr. and Mrs. W. Mundt, Mr. and Mrs. Delose Favell, and Miss Gertrude Frank. The bridal party is visiting friends in this city.

Mr. and Mrs. William Stofer are enjoying a visit from Mrs. Rickert of Cleveland, Ohio. They all left this week to spend several days at Wausau.

"LEANDER CHOATE" SOLD TO FOND DU LAC COMPANY

Fond du Lac.—The Public Service Co. of this city has purchased the "Leander Choate," one of the largest steamers on Lake Winnebago. The statement was issued at a hearing held here to discuss the establishment of a harbor of refuge at Luco creek. The deal was transacted by Atty. Charles D. Smith, one of the men most heavily interested in the Public Service Co. The steamer has been connected with Oshkosh shipping for some time. It is

the intention of the company to operate a freight and passenger service between this city and Green Bay. This will be the first time in many years that a steamer has carried freight and passengers between this and other cities connected with Lake Winnebago.

DEPERE REPUBLICANS ARE STRONG FOR MC'COY

DePere.—The DePere Journal-Democrat, hearing that a large number of republicans of this city were dissatisfied with the nomination of John J. Blaine and the other Non-Partisan endorsed republican nominees on the state ticket, made a canvass among republicans of the city and found that out of fifty who were asked whether they were going to vote for Blaine only two responded in the affirmative. The others all said emphatically they would vote for McCoy and the other candidates on the democratic ticket who were opposed to the Non-partisan endorsed republican candidates. Some republicans who voted in the primary for Blaine and Leacock now say they will not vote for Blaine since Thompson has come out against Senator Leacock.

NEED RECRUITS IN DEPLETED RANKS

State Nurses' Conference at Wausau Urges Rally to the Profession.

Appleton and Kaukauna were represented by three nurses at the Wisconsin State Nurses' association conference which closed Thursday evening at Wausau. Miss Bertha Schultz and Miss Elizabeth Nienhaus, of the local Red Cross chapter and Miss Mary Nigle of Kaukauna, attended and said it was the largest and most profitable gathering of its kind ever held.

It was a combined convention of the nurse association and the League of Nursing Education and took up all phases of the subject. Public health service, its progress, extensiveness and usefulness, was one of the outstanding topics and drew inquiry from many cities and counties which are about to engage public health nurses.

Recruiting the depleted ranks of the nursing profession was considered seriously and remedies were suggested for overcoming this shortage. National organizations are working to induce more young women to take this training. Each delegate was urged to use his or her influence in the locality where they serve to help recruit more nurses. The part the lay people have in this task was also brought out.

The new national law giving army and navy nurses ranks in the medical corps was explained. It gives promotions without increase in salary, but the nurses are given the same maintenance allowance as officers, which is more with each rank. This is expected to be an inducement to more nurse to enter the profession.

NO EXCUSE FOR POVERTY IS THEME OF LECTURE

"Why There Is No Excuse For Poverty In The United States" is the subject of the fourth of the series of the "Hillis Lectures," which will be presented at the Methodist church on Sunday evening at 7:30 o'clock. The general theme of the series is "A Better America" and in this lecture Dr. Hillis shows, with some striking pictures, how the peculiar situation and government of the United States makes poverty unnecessary.

Miss Gertrude Graves will lead the audience in a popular "song" and special music will be furnished by a mixed quartette composed of Miss Graves, Mrs. Lazar and Arthur and John Vincent, and by Winfield Alexander. Thirty-seven hand-colored stereopticon slides will be used by Dr. Wood during the presentation of the lecture.

HUSBAND LEFT HER FOUR YEARS AGO; GETS DIVORCE

Hulda Turk was granted a divorce in municipal court Friday morning from her husband, A. H. Turk, on the ground of desertion. The couple was married in Iowa, Aug. 11, 1914, and in her complaint the wife charges her husband with having deserted her four years ago without cause and had since failed and neglected to support her and her two children. Harold, six years old, and Arthur, five years.

"OLD HOMESTEAD" JUST AS PLEASING AS EVER

"The Old Homestead" pleased a large audience at the Appleton theatre Thursday night and was given a cordial reception. William Lawrence as "Joshua Whitcomb" delighted all with his superb acting and found little trouble in drawing either laughter or tears from the audience. He was assisted by an exceptionally strong company, each member assuming a character true to life that can be found in almost every rural community. The stage settings were especially attractive and the singing of the Old Homestead Double Quartet was superior to that of the average quartet.

Mrs. H. E. Reier of New London, visited relatives and friends here Thursday.

HE JUST TRIED TO BE NICE TO TEACHER

Young Farmer Explains How He Figured in Battle for His Affections.

By United Press Leased Wire
Evansville, Ind.—Dewitt Hobbs, 18 year old farmer, central figure in Evansville's poisoned candy case, declared today he "just tried to be nice" to one woman while the other was away.

Hobbs apparently was not concerned over the arrest of Mabel Seer, 24, school teacher, on a charge of sending a box of poisoned candy to Miss Mattie Hardin, 21, also a school teacher. The young women are alleged to have been rivals for Hobbs' affections.

Hobbs met Miss Seer when she came to Ireland, Ind., to relieve Miss Hardin who took a vacation. Hobbs took Miss Seer around while Miss Hardin was away.

But it didn't mean anything, the young farmer declared. Miss Hardin, he said, was the girl he was interested in and when she returned from her vacation he again devoted his attention to her.

"I received six letters from Miss Seer this summer, but I never answered any of them. They were love letters. She never mentioned Miss Hardin in the letters."

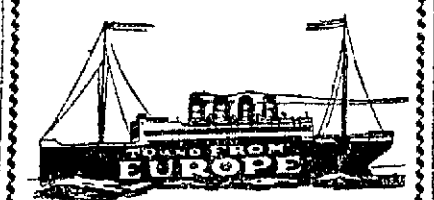

The box of candy received by Miss Hardin contained a slip of pink paper bearing the words "Love from Lloyd Owens."

The man of this name is a friend of Miss Hardin and she knew it should have been spelled "Lloyd" Owens. Her suspicions were aroused and the analysis of the candy at Indiana university developed that each piece contained enough phosphorus to kill a horse.

Miss Seer is at liberty now under \$1,500 bail furnished by her father, a merchant at Bridgeport, Ill. She will be given a preliminary hearing here Saturday, Oct. 16, before U. S. Commissioner Harmon.

Observe Mission Festival
The annual mission festival of Mount Olive English Lutheran church will be observed with special services Sunday at Rushey Business college. The Rev. H. Kirschner, Gibson, will preach at the morning service at 10:30 o'clock. The evening preaching service at 7:45 o'clock will be conducted by the Rev. T. Kasper, Greenville.

CAT'S APPETITE GETS ITS OWNER "IN BAD"

By United Press Leased Wire
Denver—Canary bird, served alive, is the favorite tid bit of "Tige," a tomcat owned by Mrs. Verne J. Carroll here.

Tige's appetite led him to the home of Mrs. M. K. Butler, where he ate her two songsters.

Mrs. Butler held Tige for ransom until his owner took the matter into court.

Tige was home today, after due process of law in which a constable armed with an affidavit of replevin and all proper papers, called at Mrs. Butler's home and said "then and there" return the cat to its rightful owner.

EUROPE ALMOST AT PEACE TODAY

Polish-Russian Hostilities Cease With Signing of Armistice.

(By Webb Miller)

By United Press Leased Wire

London—Europe was almost at peace today. Dispatches from Warsaw said Polish-Russian warfare had ended and contact of the armies had been broken along the entire front.

The Warsaw communique said hostilities along the entire front had ceased in conformity with the terms suggested by representatives of the league of nations.

Finland and Russia were planning to sign a peace treaty next week on terms agreed upon October 1.

The only place where hostilities continued was in southern Russia, where General Baron Wrangel's forces operated with other anti-bolshevik troops against the soviets.

According to dispatches from Riga, the soviets agreed to Poland's claim on the Lithuanian city of Vilna. Other territory in that region was conceded.

The Daily Chronicle printed an interview with Premier Leygues, of France saying Poland had been asked to show moderation in her demands on Russia. Leygues said he acted on the advice of Great Britain.

J. Levitas of Green Bay, was a business visitor here Thursday.

Chronic Sufferers

I want to talk to you. The fact that you have been treated elsewhere without benefit does not discourage me in the least; I am helping men and women every day effecting cures, many times in cases pronounced incurable by others, so that I feel sure I can do as much for you. My counsel will cost you nothing but my charges for treatment will be reasonable and not more than you will be willing to pay for the benefits conferred.

I treat Rheumatism, Nervousness, Stomach and Heart Troubles, Catarrh, Blood and Skin Diseases, Constipation, Urinary and Kidney Diseases and Diseases peculiar to women.

Dr. Turbin,
who has visited Appleton for the past twenty years, will be again in

Appleton, Monday Oct. 11th. at the Sherman House.

Hours 9 A. M. to 8 P. M. and every fourth Monday thereafter.

WOMAN "DRY" OFFICER REMOVED FROM OFFICE

By United Press Leased Wire
San Francisco—Mrs. Glad Warburton, federal prohibition director of California, was ordered relieved of her office, according to advices here today.

Mrs. Warburton was the only woman prohibition director in the United States.

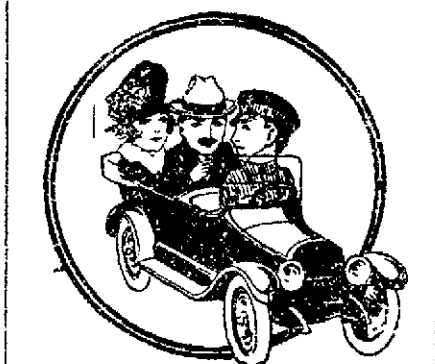

John L. Considine has been appointed her successor.

Mrs. Warburton's removal followed two weeks of strife between dries and wets here in which charges were made that 51 barrels of whiskey were removed from warehouses during the democratic national convention for the "entertainment of delegates and visitors."

"I blame this entire matter on political enemies who wanted my job," said Mrs. Warburton today.

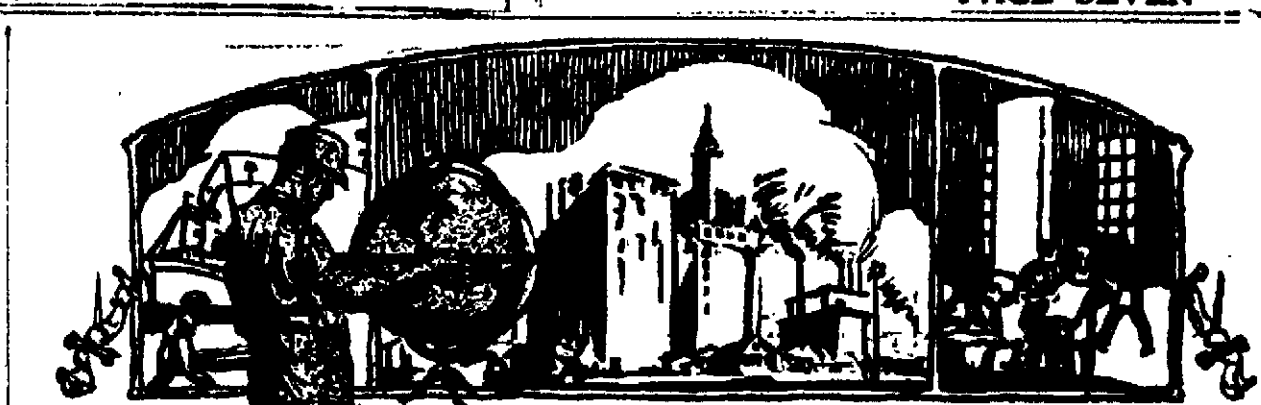

"A few minutes more, Peggy dear, and Daddy will be back with the Kemp's Balsam. Then you can go to sleep and forget that horrid old cough."

Appleton

The City of True Advancement

FEATURED IN A FULL PAGE STORY WITH PICTURES
SUNDAY, OCTOBER 10

Because of its great advancement in industry Appleton was chosen by The Journal as the subject of the principal feature for Sunday, October 10.

Appleton has made a name for itself in the industrial world—especially in the development and

use of electrical power for its industrial requirements.

Do you know? That the first electric generating plant was built in Appleton. That it had the first electric railway—the first electric flash signs—the first dwelling heated by electricity.

FIRST WISCONSIN TRUST COMPANY, MILWAUKEE, Registrar

CAPITALIZATION

Preferred Stock 7½% Cumulative	Authorized	Outstanding
Sinking Fund (this issue)	\$1,500,000	\$1,100,000
Common Stock, no par value	5000 shares	5000 shares

The following is contained in a letter to us from Mr. Lewis L. Alsted, President of the Company:

The Lakeview Paper Company, a Wisconsin corporation, was recently organized to take over the entire assets and business of the Lakeside Paper Company, which was organized and had been in continuous operation since 1910.

A large part of the output of this mill will be sold to Sears, Roebuck & Co., Chicago, Illinois, at a substantial profit.

The redemption at par in each year beginning with the year 1922 of one-tenth of all registered preferred stock of this issue, and the payment on all such preferred stock from time to time outstanding of the 7½% cumulative dividend provided in the certificate, is guaranteed by Sears, Roebuck & Co., Chicago, Illinois, by an instrument in writing on file with the registrar.

The net earnings of this property for the year ended June 30, 1920, after providing for all taxes, were considerably in excess of the amount required to pay the dividend on the entire authorized amount of this stock and the 10% sinking fund.

LAWRENCE WHIPS STEVENS POINT, 9 TO 3, ON FRIDAY

Blue and White Squad Plays Rings Around Teacher Aggregation.

TWO SCORES NOT ALLOWED

Penalties and Bad Breaks Prevent College From Piling Up Count.

Showing improvement over the form displayed in the game against the University of Wisconsin, the Lawrence college football team defeated Stevens Point Normal at Stevens Point Friday afternoon, 9 to 3. The score does not indicate the relative strength of the two squads. Lawrence gained four times as much ground as the teachers and scored two touchdowns which were not allowed. Penalties were inflicted freely. Lawrence losing nearly 150 yards by that method.

The team made a much better impression than was expected of it because of the many injuries it suffered in the Madison game last Saturday. Two regular players were missing from the line-up.

Lawrence did not get well started until in the third quarter but kept things interesting in the two earlier periods. After the first quarter was about half over, Elliot who played on

of the halfback positions, intercepted a Stevens Point forward pass and ran 60 yards across the goal line. He was called back, however, and the team was penalized 15 yards for holding. Lawrence picked up the ball and carried the ball close to the Point line where it was lost on downs.

In the second quarter Lawrence lost the ball near the Stevens Point goal but when the Normals tried to punt, Brum broke through and blocked the kick, the ball falling behind the Stevens Point goal where Doring fell on it for a touchdown.

The Blue and White lost another marker in the third quarter when Wheeler caught a pass behind the Normal goal but the score was not allowed because the umpire ruled that Wheeler had gone out of bounds. He gave the ball to Stevens Point on its own one yard line.

Doring electrified the crowd in that quarter by drop kicking over the Normal goal from the forty yard line. It was the longest kick in a game ever seen at Stevens Point. The Normal scored its three points in that quarter on a drop kick from the 28 yard line. Elliot intercepted another forward pass in the third quarter on the Law-

rence 20 yard line and ran to the Normal 15 yard line but was called back when the umpire ruled that he ran out of bounds in the middle of the field.

Almost the entire fourth quarter was played inside the Normal 30 yard line but McChesney's men could not score. They carried the ball to the two yard line a half dozen times, only to be held and the Pointers would kick out of danger.

McChesney was well pleased with the showing of his men and is confident now of giving Brilott a regular battle in the state line city next Saturday. Little has been heard here about the southerners, but it is understood the school is represented by a strong aggregation.

CRITICS PRAISE WORK OF MRS. HALL-QUICK

Mrs. Georgia Hall Quick who will appear at Memorial chapel in a piano recital Oct. 12 has become famous in circles where she has appeared. Her concert is expected to bring a very large crowd from Green Bay and surrounding towns. Mrs. Quick was formerly an Appleton woman, later moving to Green Bay.

The New York Times said "her tone is deep and sympathetic and her playing neither too hard nor too sentimental."

The Milwaukee Sentinel commented as follows: "A splendid even finger technique, a limber wrist to which no two passages seem to offer no difficulty, a singing legato, plenty of strength, yet without harshness of touch, clever and discrete treatment of pedals—these are some of the characteristics which make up the technical side of Georgia Hall-Quick."

786 ARE ENROLLED IN ENGLISH DEPARTMENT

The English department at Lawrence College leads all others with an enrollment of 786 students, which is an increase of 109 over figures of a year ago. This makes a total of 63 class hours and 1,672 student hours. Because of the increased enrollment, it was found necessary to open two new sections, one of Survey of Literature, and one in freshman composition.

The department of romance languages follows closely with an enrollment of approximately 472 students. The department of classical languages, with an enrollment of 75, is almost twice as large as last year.

The history department ranks third with 249 students. The enrollment of other departments is as follows: Mathematics and engineering, 197; public speaking, 149; department of Bible, 131; economics under social science department, 125; art, 110; religion, 62.

Referendum Election

to be held

November 2, 1920

NOTICE OF REFERENDUM ELECTION on the PROHIBITION ENFORCEMENT ACT (Mulberger Bill)

State of Wisconsin }
Department of State, }
City of Madison, }
City of Marquette, }

I, MERLIN HULL, Secretary of State of the State of Wisconsin, do hereby certify that the following law is to be submitted to a vote of the people at a general election to be held in the several cities, towns, villages and election precincts of the State of Wisconsin on the first Tuesday of November 1920, being the second day of said month.

(No. 148, S.)

CHAPTER 556, LAWS OF 1919
AN ACT to suspend the operation of chapter 56 of the statutes of 1911 entitled "Excise and the sale of intoxicating liquors" and to create sections 1569-1 to 1569-22, inclusive, of the statutes, relating to intoxicating liquors, to provide for the enforcement of Article 18 of the Constitution of the United States, providing penalties, making an appropriation and defining intoxicating liquor.

The people of the State of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. Chapter 56 of the statutes of Wisconsin for 1917 entitled "Excise and the sale of intoxicating liquors" is hereby suspended and declared to be inoperative so long as this act shall be in force and effect.

SECTION 2. Twenty-two new sections are added to the statutes to read:

SECTION 1569-1. After this act becomes operative, the manufacture, sale, transportation of intoxicating liquors, as herein defined, within the limitation thereof into, or the exportation thereof from the state of Wisconsin, except as may be herein or hereafter provided, is hereby prohibited.

SECTION 1569-2. This act shall be deemed to be an exercise of the power reserved by and granted to this state by Article 18 of the constitution of the United States.

SECTION 1569-3. Intoxicating liquor, within the purview of said constitutional amendment and the provisions of this act shall be construed to include all liquors and drinks of whatever name or description, including patent or proprietary medicines, capable of being used as a beverage containing more than two and one-half per centum of alcohol by weight, sixty degrees Fahrenheit. But if the Congress of the United States shall hereafter by a valid act which shall become the law of the land and be paramount to any state laws on the subject, define the word "intoxicating liquor" as used in Article 18 of the constitution of the United States, then such definition, from the time such act of Congress becomes operative, shall be the definition thereof under this subdivision.

SECTION 1569-4. Pure grain alcohol, wines and other liquors, containing more than two and one-half per centum of alcohol by weight, may be manufactured in or imported into or exported from this state for medicinal, mechanical, scientific and sacramental purposes and sold for such purposes only and may be so sold as herein provided and not otherwise. Denatured alcohol may be freely manufactured and sold, provided its manufacture complies strictly with the laws now or hereafter enacted by Congress relative thereto and the rules and regulations issued by the department of internal revenue.

SECTION 1569-5. There is hereby created the office of "Prohibition Commissioner," to be and before the sixteenth day of January, 1921, a commissioner shall, by and with the advice and consent of the senate, appoint a suitable person as such prohibition commissioner. Such prohibition commissioner shall have his office in the capitol, at Madison, to be provided at public expense, and such officer shall hold his office for the term of four years from and after the date of his appointment and until his successor shall be appointed. Any vacancy occurring in said office shall be filled by executive appointment. Said prohibition commissioner shall receive a salary of four thousand dollars per year and his actual and necessary expenses incurred in the discharge of his duties. He shall take and subscribe the constitutional oath of office and file a bond, for the faithful discharge of his official duties, in the sum of twenty-five thousand dollars, which shall be approved by the governor. Such prohibition commissioner may appoint necessary deputies to be known as and designated as "Deputy Prohibition Commissioners." And may employ all necessary clerks and fix the compensation and remuneration of all such deputies and clerks as appointed and file all such appointments, together with a statement showing the compensation or salary so fixed, prior to the employment or appointment entering upon his duties or employment, with the secretary of state and such appointments or salaries shall be subject to the audit, to be audited, allowed and paid on the certificate of the prohibition commissioner in the same manner as salaries and compensations are now allowed and paid to state officials and employees. The prohibition commissioner shall have and possess a suitable official seal, and all permits issued by him under the provisions of this act shall have affixed thereto a certain number of said official seal. Other documents may be authorized in a printed copy of the impression of said official seal. Said documents may perform all or any of the duties herein provided to be performed by the prohibition commissioner. All such deputies shall file such bond as the prohibition commissioner shall require, to be approved by the prohibition commissioner. It shall be the duty of the prohibition commissioner to exercise and perform all the duties and acts required of him by this act. For failure to perform such duties he shall be subject to removal by the governor, for cause upon due notice and an opportunity to be heard.

SECTION 1569-6. It shall be the duty of all district attorneys, sheriff, deputy sheriffs, constables and other executive law enforcement officers to aid and assist and prohibition commissioner or his deputies in the enforcement of the provisions of this act.

SECTION 1569-7. It shall be the duty of the prohibition commissioner to designate and issue a permit to any person who he deems proper to one or more persons in each municipality in this state who shall be authorized to have in possession and sell under such general rules and regulations as he may prescribe, alcohol, wines, liquors or malt liquors containing in excess of two and one-half per centum of alcohol by weight to be used exclusively for medicinal, mechanical, scientific and sacramental purposes. The person so designated shall deposit a bond in the penal sum of one thousand dollars for the faithful compliance with the rules and regulations prescribed by the prohibition commissioner, with reference to the possession and sale of any such liquors. In the event of failure to comply strictly therewith the amount of said bond shall be forfeited to the

state of Wisconsin and in addition the persons so offending shall be liable to all other penalties herein prescribed.

SECTION 1569-8. No person who shall keep or have in possession for private or non-intoxicating beverages as defined in section 1569-3 hereof shall at any time have in his possession or under his control in the building in which he conducts his business for selling or dispensing any such beverages any intoxicating liquor as defined in said section. The prohibition commissioner or his deputies shall have the right of access at all reasonable hours, without notice, to the premises, occupied by any such retail dealer in non-intoxicating beverages, to investigate if this provision is being violated.

SECTION 1569-9. No place in which non-intoxicating drinks or beverages, as defined in section 1569-3 hereof, are sold or dispensed for consumption upon the premises where sold, shall maintain a standing bar or counter at which any such drinks or beverages containing alcohol in any degree are permitted to be drunk or consumed by the purchaser.

SECTION 1569-10. The common council of cities, the village board of villages and the town board of towns may, after the expiration of the term of the sanitary conduct of places in which non-intoxicating beverages as defined in section 1569-3 hereof are manufactured or sold may pass ordinances fixing the terms and conditions under which such places may be conducted and operated and may limit the number of such places, and the locations at which such business or any part thereof may be conducted, and may require that any person who wishes to operate any such business shall first procure a permit (which permit may be revoked for failure to comply with the conditions of this act or any ordinances relating to said business). A fee of not more than one hundred dollars per annum may be exacted before the granting of such permit and shall be payable in such amounts and at such times as may be fixed by ordinance. To be entitled to be sold under such permit, may be separated into classes and a separate fee may be exacted for each class not exceeding in all the maximum of one hundred dollars.

It shall be the duty of the treasurer of each town, village or city in this state wherein a fee is collected for a permit as herein provided, to remit to the state treasurer within sixty days after such fee is collected five per cent of the total amount collected, and such moneys when so received by the state treasurer shall be set aside and constitute a separate fund for the payment of said bond and the cost of the prohibition commissioner, and in carrying on the work connected with the enforcement of this act.

SECTION 1569-11. Whenever a number of the qualified electors of any town, village or city equal to or more than ten per centum of the number of votes cast therein for governor at the last general election shall present to the clerk of the town, village or city a petition praying that the electors thereof may have submitted to them the question whether or not any permit shall be issued under the provisions of this act to sell any non-intoxicating beverages as defined in section 3 hereof, containing alcohol in any degree whatsoever as a beverage and shall file such petition with the clerk at least two weeks prior to the first Tuesday of April next succeeding such clerk shall forthwith make an order providing that such question shall be submitted on the first Tuesday of April next succeeding the date of such order. The clerk making such order shall give notice of the election to be held on such question in the manner notice is given for the regular city election; town and village clerks who make such orders shall give notice by posting written or printed notices in at least five public places in the town or village not less than two weeks before the day of election. The election on such question shall be held and conducted and the returns canvassed in the same manner as in regular city, town or village on other questions are conducted and the returns thereof canvassed. The result shall be certified by the canvassers immediately upon the determination thereof and he entered upon the records of the town, village or city, and shall remain in effect until another election is held for the same purpose.

The ballot for the question so submitted shall be deposited in a separate box in each town and election district and shall contain the words "For permit" and "Against permit" and shall otherwise conform with the provisions of subsection 8 of section 6.23. If a majority of the ballots cast upon such question be "Against permit," then it shall be unlawful for any person to sell or traffic in any of the beverages defined in section 1569-3 of this act as non-intoxicating which contain any alcohol whatsoever in the town, village or city so voting. "Against permit" and any permit granted or issued therein so long as the result of such election shall remain unrevoked by another election held for the same purpose shall be void, but if a majority of the ballots so cast shall be "For permit," it shall be lawful for the town board, village trustees or common council, as the case may be, to grant permit for the sale of such beverages.

The provisions of this act shall not authorize the sale of beverages containing alcohol in any town, village or city in this state where such sale is now illegal until an election shall have been had under the provisions hereof permitting such sale under the conditions in this act prescribed.

SECTION 1569-12. Manufacturers and chemists who use alcohol for industrial and scientific purposes or in the manufacture of products not suitable for use as an intoxicating beverage, superintendents of hospitals, museums, laboratories, educational institutions, dentists, physicians and persons for the purpose of securing a permit from the prohibition commissioner, authorizing the purchase and possession of alcohol and liquors for the purposes permitted by this act, upon making due application therefor in accordance with such rules and requirements as the prohibition commissioner may promulgate, and upon filing a bond in such sum, not to exceed two thousand dollars, as in the discretion of the prohibition commissioner shall be required, conditions shall be sold alcohol and other liquors for the purposes stated in the application and permit and in accordance with law. Such permit may be revoked by the prohibition commissioner if the conditions thereof are not complied with, after notice is given to the holder of such permit to appear before said prohibition commissioner and show cause why such permit should not be revoked.

SECTION 1569-13. This act shall not be construed to authorize the conferring of licenses or permits for the sale of alcohol under the provisions of section 1569-3 hereof as intoxicating liquor, owned by individuals and possessed and kept for the individual use of the owners thereof at the time this act becomes operative; provided such liquors were lawfully purchased prior for private purposes and not for purposes of unlawful sale, but all such liquors kept by retail dealers in non-intoxicating beverages as defined in said section and on hand in the building where such business is conducted at the time this act becomes operative shall be subject to seizure, and such liquors shall be deemed contraband and subject to seizure by the prohibition commissioner.

SECTION 1569-14. In addition to the powers and duties conferred upon the prohibition commissioner by this act, he is authorized and empowered to make other and further reasonable rules and regulations relative to the possession and sale of intoxicating liquors or drinks as a beverage as herein defined, and to enforce the same, and to make other and further regulations for the enforcement of the provisions of this act, and all such rules and regulations, including those herein specifically enumerated, shall have the force and effect of law.

SECTION 1569-15. All alcohol and intoxicating liquor as defined in section 1569-3 hereof shipped or carried into this state for any lawful purpose or use permitted by the terms hereof shall be plainly labeled on the outside describing the nature and character of the liquor, the name of the owner and assignee of such liquor, and the name of the person to whom the liquor is to be sold, and such liquor shall be subject to confiscation by the prohibition commissioner and by him delivered to public sale institutions for medicinal, mechanical or scientific use.

SECTION 1569-16. Premises occupied by the owner or by a tenant whereon intoxicating liquors are sold contrary to the provisions of this act are declared a nuisance and may be abated in an action brought in the name of the prohibition commissioner. No such action shall be maintained with respect to premises occupied by a tenant of the owner until notice of such violation of law is first given the owner and he has an opportunity to evict such tenant. Proceedings for such eviction must be instituted within ten days after notice and promptly prosecuted to judgment or any citizen may intervene or begin such action in the name of the state and prosecute the same. Upon final judgment in such nuisance action, the prohibition commissioner may issue an order for the abatement and an injunction issued permanently restraining their use for any purpose contrary to law and the owner may be required to give bond in such amount as the court may deem adequate that said premises be used for the sale of intoxicating liquors.

SECTION 1569-17. No person shall advertise, sell, deliver or have in possession any preparation, compound or tablet manufactured for the purpose of adding to or making palatable any non-intoxicating beverage, or any drink from which intoxicating liquors as defined in section 1569-3 hereof can be made, unless he has a permit from the prohibition commissioner authorizing such possession, sale or advertisement.

SECTION 1569-18. The provisions of this act shall not be construed to prevent:

(1) The manufacture, sale and keeping and storing for sale by any person having a permit of any medicinal preparation manufactured in accordance with formulas prescribed by the United States Pharmacopoeia or national formula or any patent or proprietary remedy in conformity with the laws of this state, unless such medicinal preparations are suitable for beverage purposes.

(2) The manufacture and sale of toilet, medicinal and antiseptic preparations or solutions, neither designed nor used for the purpose of adding to or making palatable any non-intoxicating beverage, or for the purpose of adding to or making palatable any non-intoxicating beverage manufactured or sold for culinary or flavoring purposes only.

(3) Any person having a permit who is a manufacturer of flavoring extracts or toilet, medicinal, antiseptic preparations or solutions, patent or proprietary, medicines or preparations, from purchasing, possessing, transporting and storing alcohol necessary for the manufacture of such articles.

(4) Any person who shall vend, sell, deal or traffic in, or for the purpose of adding to or making palatable any non-intoxicating beverage as herein defined, except as herein provided, or violate any other provision hereof or any lawful order made under the provisions of this act, shall be guilty of a misdemeanor and upon conviction shall be fined not less than one hundred dollars or more than five hundred dollars or by imprisonment not exceeding six months or by both such fine and imprisonment in the discretion of the court. If any of the provisions of this act shall be held to be invalid shall continue in full force and effect.

SECTION 1569-19. This act shall be in force on passage and publication on and after January 16, 1920, and continue in force and effect to and including January 1, 1921.

The prohibition commissioner shall have power to enforce the provisions of this act and all other acts relative to intoxicating liquor, and to make complaints and institute prosecutions for a violation of the same, and all such officers and any citizen may on information and belief make complaint

before any magistrate or court to the effect that provisions of this act are being violated and that intoxicating liquors are being kept for purposes of unlawful sale at a particular place to be designated, and praying that a warrant may be issued to search the premises where said intoxicating liquors are so being kept and seize the same, and upon filing any such complaint a warrant may issue commanding the officer to search the premises and seize any and all liquors believed to be intoxicating and bring the same before the court for further proceedings according to law. The procedure shall be substantially the same as the procedure provided for search warrants in larceny cases and such liquors shall be subject to such disposition as the prohibition commissioner may order.

SECTION 4. The question whether the provisions of this act shall continue to be in force and effect from and after January 1, 1921, shall be submitted to the people of this state in the manner provided by law for the submission of an amendment to the constitution at the election to be held on the first Tuesday after the first Monday, in November, 1920. If approved by a majority of the votes cast upon that question, it shall continue in force and effect from and after January 1, 1921, otherwise it shall cease to be of force and effect and become null and void.

Upon the ballot shall be printed: "Shall chapter— (insert on the title of the act) be continued of force and effect?"

SECTION 5. This act takes effect as above provided, subject, however, to all provisions contained for its submission to the people for their ratification or rejection.

Approved July 12, 1919
Published July 18, 1919

NOTE: If the foregoing law is ratified by this election, it becomes the law of this state on the subject of intoxicating liquors, except as amended by Chapter 556 of the Laws of 1919, and except as affected by the Amendment to the U. S. Constitution and the Volstead Act of Congress, enforcing same. If it is rejected, the effect will be to reinstate the former law on said subject known as Chapter 56 of the Revised Statutes, of 1917, with the same exceptions as above noted.

Department of State
I, MERLIN HULL, Secretary of State, of the State of Wisconsin, do hereby certify that the above and foregoing is a true copy of Chapter 556 Laws of 1919, and that same has been compared by me with the original enrolled act now on file in this department.

A CANDIDATE FOR DISTRICT ATTORNEY, to succeed Fred V. Heinemann, whose term of office will expire on the first Monday of January, A. D., 1921.

A CANDIDATE FOR REGISTER OF DEEDS, to succeed Albert G. Koch, whose term of office will expire on the first Monday of January, A. D., 1921.

A CANDIDATE FOR COUNTY SURVEYOR, to succeed _____ whose term of office will expire on the first Monday of January A. D., 1921.

Also a notice of referendum election on the Prohibition Enforcement Act. (Mulberger Bill).

Shall chapter 556 of the laws of 1919 entitled, "An Act to Suspend the operation of chapter 56 of the statutes of 1911, entitled "Excise and the sale of intoxicating liquors" and to create sections 1569-1 to 1569-22, inclusive of the statutes, relating to intoxicating liquors, to provide for the enforcement of Article 18 of the Constitution of the United States, providing penalties, making an appropriation and defining intoxicating liquor" be continued of force and effect?

Given under my hand and official seal at the Court House in the City of Appleton, Wisconsin, this 29th day of September, A. D., 1920.

(Seal) HERMAN J. KAMPS,
County Clerk, Winnebago County,

CLEVELAND WILD OVER BIG SERIES

Speaker Fans Confident That World Pennant Will Fly in Ohio.

(By Harold D. Jacobs)

By United Press Leased Wire

Cleveland, Ohio.—In Brooklyn the world series was a mere incident in the busy life of the nation's metropolis. In Cleveland it is the beginning and end of all things.

If you can imagine an insane as him filled with \$50,000 persons, a with the same mania, you may have faint conception of what Cleveland today, with the Indians starting the first of their four game series on the home grounds a game behind the Dodgers.

There is just one thought in the mind of the average Clevelander. The Indians will be proclaimed champions of the world on Tuesday, the last day of the home series. The means of course that Speaker's team must take four straight, and that is just what the home folks expect.

Cleveland fans showed their enthusiasm when they gave a rousing reception at the Hotel Winton yesterday to Zach Wheat, as they thought. The double was that of head of sports editor of the Plain Press, who was stopping around the hotel to get the latest dope from Manager Robinson and his players.

Today Speaker could make four runs today and there would be no person in the stand who would take it as a matter of course. That person is his mother, Mrs. A. O. Speaker who came all the way from Hubert, Tex., to see her boy perform.

To her way of thinking anything that would be super-human for another man would be just natural for this.

NEW CATCHER TO BE TRIED OUT ON SUNDAY

Confidence of Oshkosh in its ability to defeat the Brands in the Sawdust city park Sunday afternoon is indicated in the announcement received from Owner August Brandt that any umpire will be satisfactory to the Oshkosh. The state championships are likely are due for a surprise when the stack up against the Brandt outfit however.

It is probable that Hank Schultz, battery partner in Milwaukee, will be on the receiving end in Sunday game. Schultz wants Brandt to go the catcher a try-out and requests that he be used in this game. Patstrom will play in center field because of the inability of Mudflat to come to the game. The remainder of the team will be made up of regulars.

MARKETS

GRAIN PRICES ARE FIRMER ON MARKET

December Wheat Opens Four Points Higher and Gains Another.

Chicago—Grain quotations showed a further tone in trading on the Chicago board of trade today. General commission house buying followed the disappointing crop figures on spring wheat. The big corn crop forecast had been discounted and failed to affect the market appreciably.

Provisions also were higher. December wheat opened up four at \$1.98 and gained another 1/4. March wheat was up 1/4 at the opening, \$1.92, and gained 1/4.

December corn was up 1/4 at the opening, \$1.44, but closed 1/4 higher, \$1.45. May corn, off 1/4 at the opening, \$1.42, closed 1/4 higher.

December oats opened unchanged at \$1.44 and closed 1/4 higher, \$1.45. May oats gained 1/4 at the opening, \$1.42, and gained another 1/4 at the close.

CHICAGO LIVESTOCK MARKET.
Chicago—HOGS—Receipts, 20,000. Market, 15c up; bulk, \$14.50@16.00; butchers, \$14.50@16.00; packing, \$14.50@16.00; light, \$14.50@16.00; pigs, \$14.00@15.50; rough, \$14.00@15.50.

CATTLE—Receipts, 3,000; market, steady; beefs, \$5.25@18.50; butcher stock, \$4.50@13.50; canners and cutters, \$4.00@7.00; stockers and feeders, \$4.50@9.50; cows, \$3.50@11.25; calves, \$14.00@17.50.

SHEEP—Receipts, 1,000; market, steady; wool lambs, \$7.50@12.50; ewes, \$4.75@8.50.

PARK FILLS EARLY FOR BIG GAME TODAY

Cleveland Fans Are Not Daunted by Indian Reverses in the East.

(By Henry L. Farrell.)
Cleveland, Ohio—Cleveland's Indians smeared on war paint today grabbed their tomahawks and started out.

Unmindful of the fact Brooklyn was the favorite favorite with two games to one, the tribe of Big Chief Speaker, still hearing the cries of his home town folks "you can do it," were ready for the task of overcoming the advantage of the Robins. While the fans were thronging outside the gates waiting to pay their toll for the first world series game this Ohio city has ever seen, Speaker and his tribe were in a now-or-never deciding how it could best be done.

The general impression was the task of evening the count would be delegated to the spiritual hand of Stanley Coveleskie.

Pitching selections were rather doubtful as far as Brooklyn was concerned.

However, the impression grew that Rube Marquard, veteran of five baseball classics, would make another effort to win. Some picked Al Mamaux as the logical starter.

Both Speaker and Robinson, with the idea in mind of foiling the gamblers, refused to commit themselves definitely.

Interest in the series was lax in Brooklyn, general enthusiasm was all but dead.

All seats for the park were sold in Brooklyn, and they are here—but Cleveland talks baseball and Brooklyn didn't.

Everyone was enthused over the chances of the Indians to equal the feat of the Cincinnati Reds and bring another world series to Ohio.

Cleveland fans were disposed to ignore the Indian reverses in the east and were banking upon a spur on the home lot to fulfill their dreams of a decade.

IRREGULAR PRICES ON NEW YORK STOCK MARKET

LEGAL NOTICE.
NOTICE TO PROVE WILL AND NOTICE TO CREDITORS.
STATE OF WISCONSIN, COUNTY COURT, Outagamie County—In Probate.
In re estate of Joseph H. Marston, deceased.
Notice is hereby given, that at the regular term of said Court to be held on the first Tuesday of November, A. D. 1920, at the Court House, in the City of Appleton, county of Outagamie and State of Wisconsin, there will be heard and considered, the application of Charles L. Marston, Guy B. Marston and Roy H. Marston to admit to probate the last will and testament and codicil thereto of Joseph H. Marston, late of the City of Appleton, in said County and State, and for the appointment of an executor.

Notice is hereby further given, that at the regular term of said Court to be held at said Court House on the first Tuesday of March, A. D. 1921, there will be heard, considered and adjusted, all claims against said Joseph H. Marston, deceased.

And notice is hereby further given, that all such claims for examination and allowance must be presented to said County Court at the Court House, in the City of Appleton, in said County and State, on or before the 15th day of February, A. D. 1921, or be barred.

Dated October 1, 1920.
By the Court, JOHN BOTTENSEK, Judge.

C. G. CANNON, Attorney.
10-29-16.

STATE OF WISCONSIN—COUNTY COURT, Outagamie County—In Probate.
Notice is hereby given that at a regular term of the County Court to be held in and for said County, a Court House, in the City of Appleton, in said County, on the first Tuesday, being the seventh day of December, A. D. 1920, at 10 o'clock a. m., the following matter will be heard and considered:

The application of Alice Tietjens praying for the judgment of the Court finding and determining who are all the heirs of Thomas Fielding, late of the Town of Dale, in said County, deceased, intestate, and what are the respective rights and interests of the parties, named in the petition, and heirs, and of others, if any, in the

POSTPONE VOCATIONAL TEACHER CONFERENCE
The northeastern Wisconsin conference of vocational school directors and teachers, which was to have been held here October 14, 15 and 16, has been postponed to December, according to notice received by W. S. Ford, director of the Appleton Vocational school. Plans laid for the October gathering will be abandoned and arrangements made for the new dates, which will be announced soon.

WITNESSED SOUTHERN ILLINOIS MILK STRIKE
F. H. Shoemaker of New London, defeated candidate for congress from the eighth district, spent several hours in the city on Saturday morning.

Shoemaker is just returning from Illinois, where he assisted in the strike of the Southern Illinois Milk Producers association. He states that the dealers in St. Louis, Mo. attempted to cut the milk price from \$3.75 to \$2.60 a hundred pounds, although they sold it at \$3.60. The farmers refused to ship any milk to that locality. Eight thousand have applied to the American Federation of Labor for membership as a result. Cooks and waitresses in St. Louis restaurants and hotels struck in sympathy, he stated.

One Dead Recorded
The only dead recorded at the office of register of deeds Saturday morning concerned a lot in the Fifth ward which Nicholas Reitzner sold to Joseph Doerfler. The consideration was private.

title of said decedent in and to the lands of which he died seized and which are situated in Outagamie County, Wisconsin, and known and described as follows: to-wit:

The north half of the north half of the southwest quarter (N 1/2 N 1/2 SW 1/4) of Section number Twenty-nine (29), in Township Number Twenty-one (21), North of Range Fifteen (15) East, reserving one acre of land out of the northeast corner of the north half of the north half of the southwest quarter (N 1/2 N 1/2 SW 1/4) of Section Twenty-nine (29), North of Range Fifteen (15) East to be used as a road by William W. Spengler or his heirs or assigns.

Dated, Appleton, Wis., October 8, 1920.
By order of the Court, JOHN BOTTENSEK, County Judge.

RYAN & CARY, Attorneys for petitioner.

CLEVELAND EVENS UP SERIES WITH ROBINS
(Continued From Page One)

strike 2. Kilduff fanned swinging weakly at a splitter. Miller up. Strike 1, called. Strike 2, swung. Miller hit into a double play, Sewell to Wamby to Burns. No runs, no hits, no errors.

Coveleskie had calmed down after the bombardment of the previous inning and had his spitter working in fine shape.

Cleveland—Burns up. Strike 1, swung. Foul strike 2. Ball 1. Ball 2. Burns fanned, swinging at the last one. Gardner up. Strike 1, swung. Strike 2, called. Gardner fled to Myers who made a jumping catch against the center field stands. Wood up. Strike 1, swung. Strike 2, called. Wood up. Strike 2, called. Ball 1. Wood out Olson to Konechky. No runs, no hits, no error.

Konechky made a pretty pickup of Olson's low throw for the third out. Marquard appeared in fine form and was mixing them nicely on the Indian batsmen.

Sixth Inning
Brooklyn—Lamar batted for Marquard. Lamar up. Lamar out. Sewell to Burns on an easy chance. Olson up. Olson singled singled to left. J. Johnston up. Foul strike 1. J. Johnston forced Olson at second. Sewell to Wamby and was safe at first when Wamby's throw to complete a double got by Burns, an error for Burns. Griffith up. Ball 1. Griffith safe at first when Wamby dropped Sewell's toss attempting to force J. Johnston at second. J. Johnston tried for third on the miff and was out. Wamby to Gardner. No runs, one hit, two errors.

Official scorer gives Sewell error, instead of Wamby.

Cleveland—Pfeffer pitching for Brooklyn. Sewell up. Strike 1, Ball 1. Ball 2. Sewell popped to J. Johnston. O'Neill up. Strike 1. O'Neill fanned. Coveleskie up. Strike 1, swung. Ball 1. Strike 2, called. Ball 2. Coveleskie singled to center. Kilduff making a game try for the ball. Evans up. Ball 1. Coveleskie went to second on a wild pitch. Ball two. Evans singled to right sending Coveleskie to third. Wamby up. Strike 1, called. Wamby singled infield, scoring Coveleskie and sending Evans to second. Olson made a play on Evans at second but too late. Speaker up. Ball 1. Foul strike 1. Foul strike 2. Ball 1. Foul. Speaker

fouled to Miller. One run, three hits, no errors.

The Indian batsmen had another big inning when Pfeffer weakened after two down and Speaker had another chance to cash in a run but Miller made a pretty catch of his high foul against the stand.

Seventh Inning
Brooklyn—Wheat up. Strike 1. Wheat out. Gardner to Burns on a high bounding chance. Myers up. Strike 1, called. Strike 2, swung. Ball 1. Myers fanned, swinging weakly at a wicked splitter. Konechky up. Ball 1. Ball 2. O'Neill kicked hard on the decision and Speaker ran into the plate from center to join in the argument with the umpire. Speaker pounded his hands on his hips and protested loudly. Dieneen replied in kind and their heads bobbed as they argued nose to nose. Konechky made a half swing at the ball which Dieneen called a ball. Then he refused to change his decision and Speaker walked back to outfield shaking his head. Strike 1, called. Strike 2, swung. Ball 3. Konechky fled to Speaker. No runs, no hits, no errors.

Coveleskie's spitter was still just as good as it was at the start and he gave no signs of weakening. The big crowd took the customary seventh inning stretch.

Cleveland—Burns up. Ball 1. Ball 2. Strike 1, called. Strike 2, called. Burns walked. Gardner up. Dieneen called for ball and looked it over substituting another. Ball 1. Ball 2. Strike 1, foul. Ball 2. Strike 2, called. Gardner singled to right sending Burns to third. Wood up. Strike 1, called. Gardner went to second on a passed ball but Burns didn't advance. With the count one and one on Wood, Granev was sent in to hit for him. Granev up. Granev hit to Kilduff who threw to Miller. Miller ran Burns back to third to which base Gardner had advanced. Miller tagged Gardner out. Granev went to second on the play. Sewell up. Sewell popped to Olson. O'Neill up. Ball 1. Ball 2. Ball 3. O'Neill was purposely passed filling the bases.

Coveleskie up. Ball 1. Ball 2. Coveleskie fled to Griffith. No runs, one hit, no errors.

Eighth Inning
Brooklyn—Granev playing right for Cleveland. Kilduff up. Kilduff lined a single to center. Miller up. Foul strike 1. Ball 1. Miller hit into double play. Gardner to Wamby to Burns. Wamby up. Strike 1, called. Wamby singled infield, scoring Coveleskie and Pfeffer up. Strike 1, called. Strike 2, swung. Foul. Ball 1. Pfeffer out to Coveleskie to Burns. No runs, one hit, no errors.

Coveleskie made a beautiful play on
